OFFICIAL MINUTES OF CABINET MEETING

of District # 27-B1... Lions Clubs International, held on July 31, 1988.
at... Marakesan... Wisconsin in... Meeting was
called to order at 1:15... by District Governor Paul A. Tadych
who acted as chairman.

(CABINET SECRETARY: in the minutes be sure to list the name and office of each
person who is present during the cabinet meeting.)

Minutes of Business Meeting

The meeting was called to order with the following Lions present:
Paul A. Tadych, DG; Harry Boldt, Cab. Sec.; Dwaine Habrat, IPDG;
Victor Voigt, DDG; Deloran Peterson DDG; Thomas Thorson DDG; Robert
Hautamaki DDG; David Petrie ZC; John Dammrow ZC; Eugene Adams ZC; Jim
Roberts ZC; Irv Korthy ZC; Lawrence Pfaffenroth ZC; Patrick Champeau
ZC; Michael Copas ZC; Robert Showers ZC; Warren Nelson ZC; Earl Buchholz,
Chaplin and Song Leader; John Coleman, Constitution and By-Laws; John
Kuester, Diabets; Glen Reiss, District Elections; Pat Harder, District
and State Bowling; Andy Joneth, District Pin; John Sonnenburg, Environ-
mental; Gary Williams, Honorary; Edward Erick PID, International Relations;
Donald Kringle PDG, Leadership and Indoctriation; Thomas Kock PDG,
ICIF; Jack Johnson, Leo Clubs; Orvin Doede PDG, Historian and Sight
Conservation; Glenn Murry PDG, Donald Smoot, Lion and Lioness Extention
Regions 1 & 2; Dennis Kitchen, Lion and Lioness Extention Regions 3 &
4; Jerry Wagner, Lions Information; Louis Cecil, Public Relations;
Herb Schneider PDG, WLF; Ken Rohde, Tail Twister; James Hilgret,
Youth Exchange. Guest John Draddy, Tim Huth, Omro Lions Club; James
Williams, Tow of Menasha Lion Club; John Coleman, Manitowoc Lions Club.

The following Lions were excused: James Seiler ZC; Howard Heinke PDG,
Honary; Gorden Hoffman, Hearing and Speech; and Milton Wood PDG,
WLF.

IPDG Dwaine Habrat led the "Pledge of Allegiance to the Flag" and
Chaplain Carl Buckolz said the opening prayer and the singing of "God
Bless America."

DG Paul Tadych remarked that Lions International was having a peace
poster contest. He explained what type of poster was needed and how
the contest would be run. He also would like to see 50% of the school
districts in our 27-B1 get involved in the Quest Program. He also
mentioned the PDG Don Kringle is looking for an apprentice that would
replace him as Leadership and Indoctriation chairman. The USA-
Canada Forum will be held in Niagara Falls. Any Lion interested in
going see letter after the meeting. He also indicated that more effort
by local clubs to think international besides only on their local pro-
jects. The clubs need to retain their older members besides trying
to receive younger men.

Lion James Williams, President of the Town of Menasha Lions Club pre-
sented IPDG Dwaine Habrat with a gold ring for his service to Lions.

PDG Robert Hautamaki introduced John Brady who outlined his school
districts participation in the Quest Program. John indicated that the

Cabinet Secretary-Treasurer

program was successful in making students feel good about themselves
and to accomplish this goal they need not take drugs or other
stimulants to feel good.

IPDG Dwaine Habrat gave the financial report and the State of the
District. All dues have been paid by the clubs. Moved by Victor
Voigt DDG and seconded by Irv Korth ZC to accept the financial re-
port for 1987-88. The motion passed. IPDG Habrat said he would like
to see more schools in Quest and commented on the fine work by his
cabinet members. One disappointment was the need for more clubs
and the need for more members in the larger cities in the District.
One suggestion was to have more of the breakfast and noon clubs
started. He also would like to see more of the money raised used
in Lion projects and not in other service clubs projects. There
were 73 new Lions but was disappointed in the number of 100% president
and secretary awards applied for. Most clubs are strong but the
weak clubs need to be worked on.

DG Paul Tadych discussed a letter from Porfit Masters where a contract
must be signed by August 1. PDG Orvin Doede explained a new pro-
ducer of Lion mints is also available. He said that because there
is no distribution city in Wisconsin that the transportation cost
is greater. After further discussion it was moved by ZC Jim
Roberts and seconded by ZC Robert Showers to sign a contract with
Porofit Masters for 1988-89. The motion past.

The District budget was then discussed and after a motion by DDG
Deloran Peterson and seconded by ZC Patrick Champeau to raise the
District 27-B1 dues 50 cents per member. The motion carried.
A motion by DDG Victor Voigt and seconded by DDG Deloran Peterson
to approve the 1988-89 budget as revised. The motion carried. A
Motion by DDG Robert Hautamaki and seconded by DDG Thomas Thorson
to accept the Dairy State Bank of Plymouth as the District 27-B1
depository. The motion carried.

PDG Tom Kock said the District will give four Helvin Jones Follow-
ships. Two will go to PDG and two others to others.
John Sonnenburg gave a written report concerning the district Con-
vention in Sheboygan on November 4, 5, and 6. He remained clubs to
bring their banners and he needed a count of Lions running for office
so he could account for the number of hospitality rooms. The
Executive Inn is filled up but other motels have rooms. He indicated
there would be a raffle, several in fact. There will be a mail out
to local clubs about these raffles. The speaker at the District
Convention will be PID Kay Fuchashma from California.

New Business: Members of the Ormo Lions Club spoke on the behalf of
their high school band to march in the International Convention
parade in Miami Florida in 1989. The band will be on a trip during
this time and with an extra \$3,800.00 would be able to be in the
parade. The money would be used for transportation, food and lodging
for band members and chaperons. A motion by ZC Michael Copas and
seconded by ZC Robert Showers to allow the Ormo Lions Club to
solicit funds that would enable the Ormo High Band to participate
in the 1989 International parade in Miami, Florida. The motion
carried.

DDG Thomas Thorson spoke on his intent to run for district governor
for 1989-90. Also speaking was PDG John Coleman who said that

Manitowoc will be running for the district convention site for 1989-90. District bowling chairman, Pat Harder, reminded that region 2 was in line for district bowling next year and applications should be in by September 1, 1988. The bowling for this year will be in Sherwood. The Sherwood bowling schedule will be send out in August. Constitution and By-Laws Chairman, PDG John Coleman said that any resolutions must be in 30 days before the date of the convention. PDG Glenn Murry reported on Leader Dog that this year's contributions barely exceeded last years. We have gotten 19 dogs a year ago. SightConversation chairman, PDG Orvin Doede said we are par with last year with Appleton showing the greatest increase. He also said he was willing to attend zone and club meetings. It was reported that resolution 7 did past and clubs will be charged interest of bills 90 days. MPrepresentive Herb Schneider reported Lions Day was a success with about 1,100 attending. Work was completed on the dining hall and trading post. The camp is able to seat about 140 campers now and the cost per camper is about \$210.00. Clubs who are willing to donate material it will be greatly appreciated. So far 40% of the district clubs have donated to the camp this year. DG Paul Tadych reminded Zone Chairmen to carefully check to see that the M&A reports are correctly made out. There are copies of video tapes available to be shown on orientation that were made by Dolores Peterson.

A motion was made by ZC Robert Showers and seconded by DDG Robert Hautanaki to adjourn at 5:37 P.M. The motion carried.

November 29, 1988

Dear Governor Paul:

I was wondering if you could put the following in your next newsletter on LCIF:

A serious lack of support for LCIF this year has occurred from District 27-B-1. I am hoping we can solve this problem during LCIF month--January. Specifically, January 8-14 is LCIF week.

Let's consider these facts:

1. Many clubs are giving one Melvin Jones per club this year;
2. International is asking you to give one Melvin Jones per club because of the need.
3. We are asking at least \$10 per member in our district.
4. How about getting a Melvin Jones for a member in your zone also? Several of our zones are doing this;
5. LCIF is combating problems that will affect every member of your club and your community--drug and alcohol abuse, diabetes, blindness, and helps in major disasters.

Well, what do you think? Did your club donate to LCIF? Did you contribute enough? PLEASE help us make January LCIF month in District 27-B-1. If you would like to know more, I would love to come to a zone meeting or to your club; I need your help; Do you hear me?!

THANKS!

Thomas L. Koch, LCIF

## Lions Clubs International Research Programs

The American Diabetes Association will administer the 1988-89 Lions Club International Foundation Clinical Research Program in Diabetic Eye Disease. This program funds research grants in the United States and throughout the world. Grants are restricted to research related to diabetic retinopathy and may be in the form of Research and Development Awards, Feasibility Grants, or Fellowships.

The Research and Development Award is designed to assist young investigators make the transition to becoming independent investigators. The award supports such individual's salary and research program for two years to enable the investigators to initiate independent research efforts that would result in sufficient accomplishments to qualify for future long-term research funding.

The purpose of the International Feasibility Grant is to assist investigators who want to test the feasibility of new and innovative diabetic retinopathy-related ideas in order to obtain preliminary data upon which a subsequent research grant application could be based and submitted to other funding agencies. The program is intended for investigators with or without prior significant support, for established investigators in the field of diabetes who are proposing projects which constitute a new and exciting line of research, and for established investigators in other fields who are proposing projects in which they will transfer their special expertise to retinopathy-related research.

The Lions Clubs International Fellowship Program is designed to support the training of physicians toward a career in the investigative and clinical aspect of diabetic retinopathy and to encourage Ph.D scientists to undertake basic research in the area of diabetic retinopathy.

Lion interested in Journey for Sight information it is available from DG Paul.

The packet for District conventions is not complete but for the governor's part. The Melvin Jones Committee has been set with Lions Voight, Damrow, Thorson, Williams, Showers, and Champeau as members. The committee must receive information by May 1, 1989.

Bonding insurance can only be obtained for one year at a time from State Farm. The cost is \$1.76 per officer for each club.

Other information needed is in the pocket handed out at the beginning of the meeting.

Old Business:

A. DG Paul informed cabinet that there are only 42 days left to pledge for Sight for Life. Our district was second largest contributors. Be sure to make clear this is separate then the money contributed to WLF.

B. WLF director Wood said that the Wlf raffle was doing fine and money plus stubs should be brought to the state convention in May. Money will be going into the general fund.

C. DG Paul related that the district is down by 23 members this year with 19 of them due to death. A discussion as what it means as attendance on M&A reports. More clubs need to have membership cahirmen.

D. DG paul gave report on the three up coming conventions; state, International, and next falls district. Check International and state magazines for more information. District information will be in newsletter.

E. DG paul explained the 15 different resolutions as to which were approved or disapproved.

F. DG Paul reported on Profit Masters with Fon du Lac the leading seller. The Omro band fund needed a update as to the amount now collected. The amount the band needs is \$3,800.00.

New business:

ZC Showers reported on the USA/Canada Forum indicating that each club should send one member to Albuerque in September. DG Paul reminded clubs should get their PU-101 reports in by the end of April. DG Paul said that the 100% president and secretary awards forms would be coming out soon. He also said that the Leadership Training schools will begin at Elkhart Lake on April 24, 1989 and DDG Thorson related to zone 2 will be in Oshkosh on May 11, 1989. ## What You Permit You Promote

History has a tendency to repeat itself. The "new programs" being proposed to save our environment were utilized almost a half century ago. However, the situation has gone beyond just saving the environment. Formerly, conservation implied the preserving of plant and animal life. Now conservation has become a very generic term encompassing clean air, clean water, trash disposal, and quality of human life.

During this past generation of bountiful living we have neglected to plan for more than the immediate future and, as a result have become a wasteful, selfish society, considering everything expendable. By permitting this attitude to persist we have been promoting obsolescence, replacing old with new, not giving discarded items or values a second thought including senior citizens who are placed in institutions where they sit around waiting to die because they do not fit into our lifestyle.

We now have reached the stage where this attitude must be changed. I am convinced the government only enters into a situation when it is forced to do so because people will not do it voluntarily. So now we find ourselves being legislated to conform to certain laws and policies. Many people are offended by this bureaucratic move without realizing they may have been a primary cause of this action by the government.

Actually, this is not a problem, but rather a challenge to the citizenry to bring government control back to the grass roots level where it belongs.

Lions is one organization which can make a difference. These recycling conservation programs provide Lions with opportunities to demonstrate the practical application of their motto, "We Serve."

The opportunities to help your neighbor or community are almost unlimited. We as Lions can gain more exposure locally by adopting projects which deal directly with our neighbors. The public recognition you receive will surprise you and benefit your club members as "doers" resulting in greater success with Lions Club fund raisers from the same people you serve.

Projects as collecting newspapers once per month and selling them, volunteer to help your city or trash collector one Saturday per month to collect discarded large appliances, help your community to solve the problem of disposing of leaf and grass clippings, form a stand-by committee to volunteer manpower in emergencies of fire, flood, snow, etc. None of these projects may be big money makers but they provide great public relations on a local level and demonstrate that "Lions Serve," while simultaneously improving the environment for everyone.

LEADER DOGS FOR THE BLIND

June 30, 1989 is the last day of this fiscal year of 1988-89 at the Leader Dogs for the Blind School.

With less than two months remaining in this year our District 27 B-1 Clubs are only slightly over half way in our effort to match last years total gifts.

Therefore, I am appealing to all of the Lions and Lioness Clubs that have not joined in supporting this fine program for this year to please make your contributions now.

Checks may be presented at the State Conventions Parade of Checks or mailed to me - Lion Glenn Murty, P. D. G., R. 2 Box 240, Wild Rose, WI. 54984

MESSAGE FROM DISTRICT GOVERNOR-ELECT TOM:

The dates have been selected for the District Cabinet meetings in the 1989-1990 Lionistic year. Please mark your calendars.

1. July 30, 1989 in Region 4
2. October 29, 1989, Holiday Inn, Manitowoc
3. February 11, 1990, Joint meeting with 27-B2 in Green Bay
4. April 1, 1990 in Region 3

The 1989-1990 Directory will not be available until late July so my July newsletter will include the names and addresses of the Region Chairmen and Zone Chairmen. This newsletter is scheduled for mailing on July 7, 1989.

## **Wearing Medical Identification is Individual's Responsibility -- And a Necessity**

Recently, we received a call in the affiliate office from the mother of a young woman who has insulin dependent diabetes. The daughter had experienced a hypoglycemic reaction while driving and had been stopped by the police. She informed the officer she was having an insulin reaction and needed assistance. The officer, however, disregarded her claim because she did not have any identification on her that supported her statement. She was given a ticket, and the officer left. Her mother was understandably upset when she called the office to see if we had any brochures or information regarding the signs and symptoms of insulin reaction which could be given to the police department. After learning that the association has a slide presentation on diabetic emergencies and brochures for fire and police personnel, she informed the police department. An officer dropped by the office to view the slide presentation and to talk about what could be done in the future to avoid a similar incident. In the course of our

conversation, some very important observations were made that we feel need to be passed along to our readers.

The symptoms of insulin reaction do often resemble those of alcohol intoxication or drug usage. While police personnel are instructed on the signs and symptoms of insulin reactions, they are also taught to look for a medical bracelet or necklace to differentiate between a reaction and alcohol or drug abuse. The officer also stated that there have been cases in which people have falsely claimed to be diabetic and experiencing an insulin reaction to avoid arrest.

It would seem that there are some steps we can take now to hopefully address this problem. We need to educate as extensively as possible law enforcement personnel about diabetes and the signs and symptoms of hypoglycemia. The slide presentation available from the affiliate office is an excellent means by which to accomplish this. The slides, complete with script, are available on a loan basis to anyone who wishes to present a

program in their community. There are also brochures that are written specifically for fire and police personnel that can be distributed.

Most importantly, we need to recognize that we have a responsibility to wear proper identification that will alert police and emergency personnel of the existence of a medical condition that requires special attention. Bracelets and necklaces are available in most pharmacies, but these offer only limited protection. The nonprofit foundation, Medic Alert, provides a bracelet or necklace with a number that can be called anytime if the wearer is unable to supply information. The services provided by Medic Alert are endorsed by the American Diabetes Association.

To protect our members and volunteers while participating in Club sponsored activities and events and when traveling to or from District, Regional, State and National meetings, the Lions of Wisconsin, Multiple District 27 is sponsoring an insurance plan of \$5,000 Accidental Death & Dismemberment/Accident Medical Insurance coverage. This plan is available at the low premium cost of \$1 per member annually, paid by each individual club. For those clubs electing to enroll in this insurance program, 100% member participation is required.

## **BENEFITS**

### **Accidental Death and Dismemberment**

#### **Maximum Benefit \$5,000**

This plan will pay the maximum benefit of \$5,000 if you are injured in a covered accident which results in loss of life, both hands or both feet or sight of both eyes.

The plan pays one-half the maximum benefit for loss of one hand, one foot or sight of one eye. Loss must occur within one year from the date of the accident.

"Loss" shall mean, with respect to hand, actual severance of the entire four fingers of the same hand through or above the metacarpophalangeal joints; with respect to foot, actual severance through or above the ankle joint; with respect to eye, entire and irrecoverable loss of sight.

### **Accident Medical Expense Maximum Benefit \$5,000**

After the \$100 deductible has been met, this plan pays up to \$5,000 for medical expenses incurred as the result of injuries sustained in a covered accident. The plan covers necessary medical services and/or surgical treatment by a licensed physician, plus necessary hospital, nursing and ambulance services. Dental expense is limited to injuries to sound natural teeth.

Benefits are payable for medical services rendered within one year from the date of the accident.

Medical expenses resulting from disease or illness are not covered under this plan.

## **AGGREGATE LIMIT**

The Aggregate Limit of Liability for all covered losses to everyone insured under this plan is \$1,500,000.

## **OUTLINE OF COVERAGE**

A covered accident is one that occurs to a member or volunteer of an insured club while participating in a Club sponsored activity or event or traveling to or from a District, Regional, State or National Lions Club meeting. Coverage commences at the actual start of an anticipated trip whether it be from the Insured's regular place of employment, his residence, or other location. Coverage shall terminate immediately upon the return to his regular place of employment or his residence, whichever shall first occur. This plan pays for accidents that are incurred in most modes of transportation including air travel as a fare paying passenger on a commercial airline, piloted by a properly certificated pilot.

## **ELIGIBILITY**

100% of members in good standing of participating Lions Clubs and **non-member volunteers** are automatically enrolled in this plan. There is no premium charge for non-member volunteers.

## **EXCLUSIONS**

- Accidents occurring while traveling to and from **local** meetings of an insured Club
- War or any act of war, declared or undeclared, or the military
- Intentionally self-inflicted injuries, suicide or any injuries resulting from attempt at suicide
- While the Insured is in, on, boarding or alighting from any aircraft in the capacity of pilot or crew member; or any aircraft owned or leased by the Club or an employee of the Club (except on a single trip charter basis); operated by an employee of the Club; not having a current unrestricted air-worthiness certificate; or operated by other than a properly certificated pilot
- Disease or illness other than that which results solely from the accidental ingestion or inhalation of a toxic substance or bacterial infection other than that occurring in consequence of an accidental cut or wound

No. 1

August 1988

## Greetings

Greetings to all Lions, Lionesses, and Leos of 27-B1. Another year has started which promises to be a most challenging and rewarding one. I want to thank all of you for your support in the past year and hope to have that continuing support this year. Much is going to be new to all of you during the coming months as changes in all Lions Clubs will be forthcoming on the International, State and District levels. More on this later!

## International Convention News

Three very intense days of study was presented to 660 DG Elects. I felt that a new Wellness Program was being developed the way the program leaders had us running around. Sitting back and reflecting on it now tells me that I learned more than what I thought then, when we had to evaluate the program there.

One thing an International Convention does to all Lions is to teach us that we are all members of a vast international organization. Being twinned with another Lion from elsewhere in the world really advances this thinking. If your club hasn't looked into twinning your club to another, I would strongly advise you to do so.

*continued on page 3*

## Your Governor's Goals

My goals for the most part are a continuation of PDG Dwaine's goals:

1. The total involvement of all school districts within 27-B1 in Lions Quest. Last year we came a long way towards this end, let's finish up strong!
2. Increase in Diabetes Screenings and Diabetes Research.
3. An increase in donations to L.C.I.F. which includes at least ten new Melvin Jones Fellows.
4. A greater involvement of all Lions at all levels including 100% participation of all newly elected officers at the spring New Officers Training Program.

## In The News

### DISTRICT NEWS

The Sheboygan Noon Lions are working fast and furiously to make the 1988 District Convention the best convention yet. Remember, November 4th & 5th are not that far away any more. More will be coming about the convention in the next newsletter.

The Lions of Sherwood are ready for the District Bowling Tournament to be held in Sherwood October 8-23, 1988. More will be published later.

**ATTENTION ALL CLUBS IN REGION TWO, YOU ARE ELIGIBLE FOR THE DISTRICT BOWLING TOURNAMENT IN 1989.**

I have received a letter of intent from Lion Thomas Thorson of the Neenah Lions Club announcing himself as a candidate for District Governor 1989-1990.

I have also received a letter of intent from the Manitowoc Lions Club to host the 1989 District Convention.

These are all the letters of intent that I have at this time. If any club or individual is thinking about doing anything on the District level, the deadline for filing is September 30, 1988.

### INTERNATIONAL NEWS

Did you know that 51% of all Lions (1.35 million) became Lions since 1980.

14,500 women became Lions last year.

In 1987-88 there were more Melvin Jones Fellows given out than in all of the previous 19 years combined.

# Club Secretaries

Please have your club's M&As in on or before the 5th of each month. This will save you a lot of hassle and a phone call from the zone chairman.

I would also ask you to include in your comments on your M&As if your club is involved with Lions Quest and the name of the school district involved. Also if your club is selling Lion's Mints from Profit Masters and include the number of cases in the comments when you order.

If your club should be unfortunate to have a death this year, I would appreciate immediate notification if at all possible and also an obituary from your local paper.

If your club could use some free advertisement, send me a note what the event is and I will try to get it into this newsletter.

# INTERNATIONAL ASSOCIATION OF LIONS CLUBS NEWSLETTER 27-B1

**AUGUST**

DISTRICT GOVERNOR PAUL TADYCH  
Route 1  
Gedar Grove WI 53013

**1988**

**We Serve**

Dear Lions, Lioness & Leos:

It is difficult to believe what a whirlwind is until you are actually caught up in one----- a District Governor! In the past month I have been to 17 Lions functions of one kind or another, and have met many super Lions, Lioness, and Leos. It is almost impossible to believe that 1/12 of our Lionistic year is history.

## BE AWARE

All Lions should be aware that MD 27 has hired a full time State Secretary. You also should know that there now are additional costs to the Multiple District besides a salary increase --items such as insurance, withholding taxes, and other fringes. In order to pay for this increased cost, I have asked your club secretary to relay a message from me for a one dollar voluntary donation from each club member. You should also understand that these contributions are not tax deductible! I do need your help in this very serious matter.

## **ANNOUNCEMENT**

### OMRO H.S. BAND

The Lions of Omro have been given Cabinet permission to solicit funds from the District to join the International Parade on June 21, 1989. They will be our own entry (see attached letter). I have offered my beard to be shaved at the District Convention -Sheboygan if \$2000 can be raised, and will leave it off for one month for each additional \$100. This beard has been a part of me for over 17 years. Even my wife Marilyn doesn't remember what I look like without it!

## INTERNATIONAL CONVENTION MIAMI

The headquarters hotel is the Deauville Hotel which has 300 units. I have also been in contact with Discovery World Travel trying to set up a tour immediately after the convention. This is what I have so far:

**TRAVEL:** June 19 or 20 and return June 28  
cost \$210.00

**TOUR:** Depart Miami via motorcoach  
June 24 early PM and travel to Orlando about 3 hours, June 25, 26, 27 - tour Epcot one day and rest of tour has not been set up.  
June 28 fly Orlando to Milwaukee and home.

## DISTRICT CONVENTION

Plans are being laid by the Sheboygan Noon Lions and an educational and good time should be had by all! Our Keynote Speaker will be PID Kay Fukushima of California. To date, I have received only one letter of intent for District Governor for 1989-90, Lion Thomas Thorson, a letter of intent for WLF Director PDG Lion Milt Wood, and one letter of intent for host city for the 1989 District Convention -- Manitowoc. Region 2 is up for District Bowling, but as of this writing I have not received any letters. Anyone interested, please contact me.

DISTRICT BOWLING 1988 --- SHERWOOD LIONS

The Sherwood Lions are ready to host a super tournament for the District. See the information on the attached sheet.

**REMINDER**

SECRETARIES

When you fill out your M&A's, please fill out the % of attendance for the month! This is a most important part of your report and mine that needs to go to Lions Clubs International.

PRESIDENTS

Soon will be your chance to participate in a Zone Meeting. Remember, you are a part of the District's Advisory Committee! If you don't come to these important meetings, you are hurting your club by being ill-advised and your club not spoken for. Last years 100% Presidents Awards were down somewhat. LET'S DO SOMETHING ABOUT IT THIS YEAR.

WISCONSIN LIONS FOUNDATION

They have informed me that the first instructional session for Lions Quest has been set for September 15-17 at Lions Camp Rosholt. For further information, contact either PDG Lion Milt Wood-Ripon, or PDG Herb Schneider-Sheboygan our WLF Directors.

RECIPE OF THE MONTH

Cinnamon-Applesauce Christmas Ornaments

- 1 C Applesauce
- 1 C Cinnamon
- 1 tsp Allspice
- 1 tsp Cloves
- 1 tsp Nutmeg

Mix together and roll to 1/4 inch thick (if too loose, add more cinnamon). Cut into desired shapes with cookie cutter. Place on tinfoil and let dry (about 3 days). Poke hole in top while still moist. Turn occasionally.

INFORMATION SHEET

Sheboygan Noon Lions Club  
District 27-B-1 Lions 1988 Convention  
November 4,5,6, 1988  
Executive Inn  
Sheboygan

The Sheboygan Noon Lions, the Executive Inn, and the Sheboygan Convention and Visitors Bureau welcome you to the 1988 District 27 B-1 13th Annual Convention.

Circle your calendars for a weekend of gemuetekheit, good food and dedication to Lionism in Sheboygan.

District Governor Paul Tadych has assured the weekend will be crammed with important seminars and critical issues to be decided about district 27 B-1.

Friday

Registration begins 4 p.m. at the Executive Inn in downtown Sheboygan. The entire hotel is reserved for Lions and Lionesses. Other motels are listed on the reverse side of the room reservation sheet. Information sheets about the convention are at the registration desk and at several entrances to meeting rooms.

Saturday

Registration will begin at 8 a.m. A typical Sheboygan Noon luncheon will be served in the main dining room of the Executive Inn. The evening banquet will begin at 7 p.m. in the main dining room also.

Sunday

The Executive Inn features a brunch for \$7.95. A general assembly and cabinet meeting will follow.

Spouses Program

An interesting program has been arranged for the ladies/spouses. The program begins mid-morning with a tour of the John Michael Kohler Arts Center, followed by a luncheon at the new Four Flames Restaurant on the Riverfront and concludes with a demonstration of China Doll making.

Convention Prices

Advance Registration before Oct. 15- Members \$3.00  
Lioness/spouse \$1.50  
After Oct. 15 - Members \$4.00 - Lioness/spouse \$2.00

# NOTICE! FELLOW LIONS

Dear Lion:

For this year's District 27 B-1 Convention set for the weekend of Nov. 4, 5 & 6, We are asking you to make your own room reservations directly with the motel you wish to stay at. All the Sheboygan motels are listed on the reverse side of this form and also located on the map on the reverse. The Grand Executive Motel has not been listed as it's 50 rooms are already booked by individuals and clubs for the weekend.

If you phone in a reservation, it must be guaranteed with a credit card and you must mention that it is for the Lion's convention, as most of the rooms are set aside for Lions. You may be told there are no rooms if you do not do this.

Below is a form you may use to send in a reservation, however again you must either send a check for one night's room charge per room or guarantee it with a credit card.

You will need to make your reservations by October 15th, when the motels will turn the unreserved rooms over to open reservations. Most motels require 48 hours to cancel reservations to return your deposit.

More information concerning the hospitality area at the Grand Executive for club reservations will be coming out in July.

SEPTEMBER DISTRICT GOVERNOR PAUL TADYCH  
Route 1  
Gedar Grove WI 53013

1988

## IT'S GREAT TO BE A LION

Where has August gone? It seems that we just started the month and it's gone! August was not a busy month for me as far as visitations to clubs go, but was busy as far as services that your clubs held. Marilyn and I want to thank all of you we visited for the friendship that was bestowed upon us when we were with you.

We had the opportunity to visit our International Headquarters at Oakbrook, Illinois and Leader Dog School in Rochester, Michigan in August. Oakbrook is a very interesting place to visit and I would like to urge all Lions that if they are ever in the vicinity of our Headquarters to stop in for a tour. While there, I was able to take care of a number of items of District business quickly and courteously. Leader Dog School is a fantasy world in itself! It is hard to understand how a person is able to match a dog to a human being so closely and yet not meet the person whom the dog is for until they reach the school. Again the friendship and the hospitality could only have been called nothing less than SUPER!

## DISTRICT CONVENTION-1988 SHEBOYGAN

Preparations are well underway to bring you another great convention filled with many Lion learning opportunities. The Sheboygan Noon Lions have worked out a plan to show you the old fashioned Sheboygan hospitality. We have one announced candidate for District Governor for 1989-1990, one candidate for WLF representative, one announced host city, and five clubs seeking the privilege of hosting the 1989 District Bowling Tournament. Pin designs for the district should be sent to the District's Pin Chairman, Andy Joneth; amendments to the District Constitution to P.D.Gs John Coleman or Dwaine Habrat. I must also remind you that you have until the 4th of October 1988 to get any changes in, according to District Constitution. **NOTICE:** Advance registration due October 15--send to P.O. Box 585, Sheboygan, WI 53082

## INTERNATIONAL CONVENTION-1989 MIAMI

Our headquarters hotel has been changed as previously reported. The hotel that Wisconsin has been assigned is the San Souci Hotel and I am given to understand is near the International Headquarters. I am currently working with Discovery World Travel of Sheboygan and will get all the information that they plan to offer in next month's newsletter.

## SECRETARIES

This past month, August, only 53 clubs had their M&A's in by the 6th of September. I allowed an extra day due to Labor Day falling on the 5th. As of today, six clubs have not sent in their M&A's, they are; Fairwater, Francis Creek, Town of Menasha, Mishicot, Plainfield, and Random Lake. In addition

to these, Berlin, Town of Menasha, and Mischicot have not sent in their July M&A's! Let's get these in as soon as possible, like tomorrow.

Your reporting has been improving a lot and I can see a lot of very positive things happening in your clubs. I would also like a list of deaths in your clubs since last year's District Convention as we are planning a Necrology Service for Saturday morning and would not want to miss a former Lion in this service. I will need this report with your M&As or at least by the end of October.

#### PRESIDENTS

A rather disturbing report came to me from Lions Clubs International in the form of a recap sheet on monies owed to them at the end of August. This was either in the form of dues or supplies ordered. Remember that dues assessments do not need your Board's approval to make payment. It is a small wonder that International asked for a Constitutional Amendment at Denver to charge interest on monies owed them for more than 60 days. According to the report there was \$6,947.08 owed them from our District; \$1,067.08 30 days old, \$4,314.06 60 days old, and \$203.58 90 days old. I would appreciate it if you would check up with your secretaries and treasurers whether or not your club owes any of these monies and if it does get them paid!

CLUB NEWSLETTERS ARE INFORMATIVE BECAUSE THEY TELL OTHERS WHAT YOUR CLUB IS DOING. HOW ABOUT SENDING ONE TO YOUR ZONE CHAIRMAN AND DEPUTY AS WELL.

I wish to thank those clubs who have sent in their voluntary \$1.00 contribution per member to help offset the Multiple District 27's dilemma with its administration account. Lions recognizing the need of a full time State Secretary are living and thinking of the future and the good that that position is going to do for all Lions. If you are ever in the Stevens Point Area drop in and talk to Lioness Debl and see the office and what Lions have going for them!

THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU

#### WISCONSIN LIONS FOUNDATION

WLF serves more than Lions Camp Rosholt! The foundation covers all State Lions Activities and needs your support in both ideas and your donations. If your club has not donated as of yet, please do so soon as our directors would like to have our District 100% before December 1st. Remember also that the fiscal year for WLF is from April 1st to March 31st, and we are halfway through their fiscal year. So, please make your contributions soon and if you can see your way clear, how about increasing what you donated last year as their operating costs grow with the expansion of our Lionistic endeavors?. Please also pay heed to the following announcement by our two WLF Reps and invite them to speak at a club meeting.

## KNOW YOUR FOUNDATION DIRECTORS

PDG Milt Wood

### USE THEM!

They are available for club or zone visits.

Because of the location of their residences, Director Wood will generally cover the clubs west of Lake Winnebago, and Director Schneider will cover the clubs east of Lake Winnebago. Yes, they are available for all clubs, and they will cover a request anywhere in the district.

At this date, September 1, 1988, approximately 40 percent of the clubs in District 27B-1 have made their 1988-89 contribution. We are ahead of last year. We'd like to see 100 percent participation by the end of November. Discuss this at your next Board of Directors meeting.

Note: It costs \$251 to cover the cost of one camper at one Lions camp. How many campers will your club's contribution cover? How much is left for the support of the rest of the foundation program?

## PLAN YOUR PROGRAMS EARLY.

Invite your director NOW!

### URGENT URGENT URGENT URGENT URGENT URGENT URGENT URGENT

Each club must have a club membership chairman. Presidents---if your club does not have a membership chairman, please appoint one! Send his/her name and address to District Governor by October 10, 1988. Please cooperate so we can carry out our membership program this year.

### DONATIONS

Please send them to the proper chairmen instead of the Cabinet-Secretary Treasurer so that he can keep a proper accounting of your donations and can send your checks to the charity of your intent.

### RECIPE OF THE MONTH

1. take a good look at those around you
  2. ask someone to be your guest
  3. introduce them to your fellow Lions
  4. answer all questions about what Lions do
  5. at your next board meeting clear him for membership
  6. ask him to be a Lion and fill out a membership form
  7. get him properly installed in your club
  8. see to it he has proper orientation
  9. put him to work and watch him grow
- Put all these ingredients together and you and your club will be a better and stronger club if you steer him just right.

OCTOBER IS INTERNATIONAL PRESIDENTS MEMBERSHIP DRIVE MONTH  
After all the Summer housecleaning that the clubs have done,  
we find, as a District, that we are down 22 members that we  
started July with. Now is the time to seek out new members  
to give our clubs a transusion to make them even stronger

than ever. How about asking those who have dropped to come  
back to Lions?

 (414) 257-7680

Medical Director  
 Thomas W. Grossman, M.D.

Procedure for Registration of Needy  
 Hearing Aid Bank Candidates

1. The Lions Club identifies needy candidates and agrees to underwrite the expense of fitting a Hearing Aid Bank aid.
2. The Lions Club President (or his designee) contacts Thomas W. Grossman, M.D. (414-257-5866) to make an appointment.
3. Dr. Grossman will contact the candidate and furnish specific instructions on registration. Candidates will register in person in Room 104 of the Milwaukee County Medical Complex at least 1/2 hour prior to their appointment at the Hearing Center in the Ear, Nose and Throat Clinic. Candidates will need the name and address of the individual responsible for the bill.
4. After registration candidates should report to Room 239 in the Ear, Nose and Throat Clinic.
5. The cost to the Lions for a Hearing Aid Bank aid is calculated as follows:

	<u>One Aid</u>	<u>Two Aids</u>
Ear, Nose & Throat Exam by M.D.	No Charge	No Charge
Milwaukee County Hospital Charge	\$ 18.00	\$ 18.00
Audiological Testing	\$ 38.00	\$ 38.00
Hearing Aid Fitting	\$125.00	\$200.00
Ear Mold Fabrication	\$ 14.00	\$ 14.00
Batteries	\$ 5.00	\$ 5.00
<b>TOTAL</b>	<hr/> \$200.00	<hr/> \$275.00

These charges are for fitting of Hearing Aid Bank aids. If new aids must be purchased, they will be furnished at cost.

Join the Lions migration to the 27B-1 District Convention in Sheboygan, November 4-6, 1988. Don't pass up this opportunity for your club membership to decide on the programs you want your district officers to pursue. This is your opportunity to voice your opinions, attend the seminars about Lionism, or just to sit with your friends and talk smart. What direction your district pursues depends on your decisions. The roar of each Lion/Lioness is important! So come and enjoy this relaxing weekend.

ISSUE IV DISTRICT 27-B1 NEWSLETTER OCTOBER 1988  
-----  
-----

Dear Lions, Lioness, and Leos,

Just a short time ago, I greeted you as your new District Governor and already one fourth of our Lionistic Year is history. I sincerely hope that all of you are enjoying your year as much as Marilyn and I are. Those clubs that we have been privileged to visit so far have gone to great lengths to make us welcome. I want to thank them all for their great hospitality.

Speaking of visiting clubs brings to mind, that there are still twenty nine Lions Clubs who haven't scheduled a date with me yet. While you are doing so think also about scheduling in the Deputy District Governors and Zone Chairmen if you haven't already done so.

October is International President's Membership Growth Month, let us all work hard to bring in new members to our clubs that will be an asset to them. Contact someone who you have been thinking about as a member, and bring him or her into your club.

In September, my Marilyn and I, had the privilege of attending the USA/CANADA FORUM in Niagara Falls, New York, for one of the greatest learning experiences that a Lion can have. It was the best attended yet with over 3200 Lions, Lioness, and Leos registered. If you have never attended a FORUM, I would urge you to as soon as possible!

It is not too late to hold a World Service Day in your community--PROMOTE YOUR CLUB.

"WE SERVE"

Yours in Lionism,

*Paul A. Tadych*

Paul A. Tadych  
District Governor 27-B1

## DISTRICT CONVENTION UPDATE

The Sheboygan Noon Lions are in the final stages in preparing for the Lions, Lioness, And Leos to come to the 13th Annual District Convention. To help them to be better prepared, get your registrations in ASAP. Many fine Seminars have been readied, and a most welcome atmosphere set for your arrival. See you all on the 4&5th of November!

## OMRO BAND TO INTERNATIONAL CONVENTION

According to the club M&As that have come in, my situation seems perilous to say the least. Although mums the word to your District Governor when he has asked the Omro Club as to how donations have been coming in. Perhaps the cartoon will tell you more than what I have. It seems that everyone wants a chance to shave me!

HERMAN by Jim Unger

"Any idea where I left my razor?"

## ZONE MEETINGS

Most Zones have had their first meetings and have been well attended, at least the two that I was able to be at. A reminder to all Presidents and Secretaries that you are an important part of the District Advisory Committee and your attendance is required. Also any District Meeting, be it Zone or Cabinet is open to all Lions of the District.

**AN INFORMED LEADER IS A STRONGER LEADER!**

## NOVEMBER IS DIABETES MONTH

Lion John Kuester, Diabetes Chairman is chomping at the bit to be invited to your clubs to talk about Diabetes. He also has a brand new film "Don't Be Blind To Diabetes" that he is itching to show. This film only became available after the 1988 International Convention, so there is a lot of new stuff about Diabetes to be learned. Your program chairman should be alerted to Lion John's eagerness. Better yet invite him to come for a Ladies Night so that they may also be informed about the dangers of Diabetes and how it may be avoided. He and Ann Bloor, State Diabetes Administrator, will also be conducting a Diabetes Seminar at our District Convention. Don't miss them.

# Wisconsin Lions Camp winter activities

REACH Outdoor Center Programs (September through May). (1) Facilities available for rental by special education classes and groups or organizations serving special populations. (2) Family Camp Weekend - serving families with two or more persons having a visual or hearing impairment. (3) Weekend Adventures Program - serving any handicapped person not eligible in the summer camp program. (Minimal fees charged for all off-season programs.)

Wisconsin Camp is accredited by the American Camping Association, and is headquarters of the National Lions Camp Conference. Twenty-three living units house a capacity of 140 campers per week, serving over 2,500 campers a year. The 400 acre camp property is a wildlife refuge which includes 45 acre Lions Lake. A summer camp staff of 55 persons consists of maintenance, program, food service, housekeeping, office and nursing personnel.

Check at the camp office if you would like applications, more information, or have questions regarding any of the programs.

Next summer when camping season rolls around again, do yourself a favor - visit YOUR Lions Camp, you'll come away a better Lion!

## FOR YOUR INFORMATION Sale exemption info.

The new provision (effective Jan. 1, 1989) changes the standards for determining the occasional sale exemption on sales by nonprofit organizations. Under the new standards, sales of tangible personal property and services, including admissions or tickets to an event, conducted by a nonprofit organization are exempt occasional sales. If: (1) there is no professional entertainment, (2) the organization is not engaged in a trade or business, and (3) the organization is not otherwise required to have a seller's permit.

Under the statute an organization is deemed to be engaged in a trade or business if its sales of tangible personal property or services (not including sales of tickets to events), or its events occur on more than 20 days during the year. However, if an organization's receipts do not exceed \$15,000 for the year, it is not considered to be engaged in a trade or business even if its sales and/or events exceed 20 days.

A nonprofit organization whose gross receipts have become taxable because it has exceeded the above standards must obtain a seller's permit and pay taxes on all taxable receipts received after it is required to obtain that permit.

If an organization later becomes eligible for the occasional sale exemption except for its possession of a seller's permit, it may surrender that permit.

## Jottings from Jennings

Our International President, Austin Jennings, stresses service in a changing world. The program of International President Jennings highlights cooperation in service. Lions are encouraged to support LCIF, and to provide service that will bring about a drug free future and conquer diabetes.

LCIF is the official funding vehicle for the Association, but it does NOT GIVE GRANTS TO INDIVIDUALS! The Lions Interclub program tends to provide avenues for material assistance, but the request must originate from a Lions club. There are, however, many other requests from individuals and organizations that Lions might wish to help.

In addition to supporting the on-going programs of the Association, International President Jennings has emphasized the necessity of recognizing the impact which change has had on societies and their needs: "As Lions, we have a particular responsibility to study the needs of the societies we serve and, if required, change our ways of meeting them."

SECRETARIES HELP MAKE YOUR DISTRICT RUN SMOOTHLY

A reminder again that M&A Reports not in by the 5th of the month are late. September was a better month than August in that 61 clubs had their reports in on time. That still leave 14 clubs that were late or not here yet. Those clubs not reporting in as yet are; Fairwater, Plainfield both August and September are missing, and Random Lake. I realize that all of our lives are busy, but this report does not take very long to fill out and get into the mail. Lets try to be 100% by the 5th of November!

It has also been brought to my attention that there are six clubs who have as yet to pay their State and District Dues. This action requires no Board action to resolve the debt.

# Get Your Visitation Request In!

To make things a little easier for the club secretaries, I am sending a visitation request form with this newsletter. I hope this will help you to make a request for me to visit your club this year. Please clip and return as soon as possible.

Club Name \_\_\_\_\_ Address \_\_\_\_\_

Meeting Place \_\_\_\_\_ Time \_\_\_\_\_

Dinner Meeting \_\_\_\_\_ Ladies Included \_\_\_\_\_

Requested Date \_\_\_\_\_ 2nd Choice \_\_\_\_\_

Special Duties (Inductions, Installations, etc.) \_\_\_\_\_

I will do my best to meet your requests, but if I cannot, I will contact you.

The last item is where to mail your M&As by the 4th of the month. Your state directories should all be handed out by August 15, if not, contact your zone chairman.

CONGRADULATIONS TO THE LIONS, LIONESS, AND LEOS OF DISTRICT 27-B1 FOR YOUR THOUGHTS AND FORSIGHT TO MAKE 27-B1 THE BEST DISTRICT EVER!!

Dear Lions, Lioness, and Leos.

After reviewing the quarterly reports of projects and activities from our Lioness Clubs and meeting with a number of Lioness Clubs so far this year, I am very proud of the Lioness for their time and effort spent toward the handicapped, elderly, school aged children, and now about to embark upon a statewide "Teddy Bear" project. This last project is not only ambitious, but truly a project which will set you up with a program identifiable only to the Lioness.

I would also like to congratulate the Lions of District 27-B1 for their hard work in continuing the efforts of established Lionistic Projects. It is my goal that all contributions to WLF will be in by December 1st, and that District 27-B1 will be 100% as of that time. Let us also be 100% in our contributions to LCIF before the State Convention.

There is much work being done to expand the Leo Clubs in our District, and you will be hearing more about that in the near future. It is my sincere belief that today's Youth, are tomorrow's Lions and Lioness, and we had better start paying attention to them or we are going to decline in membership and lose sight of our main purpose. "WE SERVE!"

To date, I have visited thirty one Lions Clubs and seven Lioness Clubs. This means that I have forty-four Lions Clubs and sixteen Lioness Clubs yet to visit. Twenty one Lions Clubs have not made a request for me to visit your club, and twelve Lioness have yet to ask. If your club hasn't asked by January 1, 1989, my New Years Day is going to be used in making out a visitation schedule to those clubs.

With the first traditional Holiday fast approaching, I would ask that you pay close attention to the Diabetes Article appearing in this newsletter. It is also one of my goals to see a healthier District this year.

Marilyn and myself wish to convey to all of you a most Happy and Safe Thanksgiving this month. May you and your loved ones enjoy the best of Holidays.

Reflections on the Just past 27-B1 District Convention

Overall, I'd like to say that this was the best District Convention that we have ever had because I am the DG, but there were a number of items that were wrong. The sessions were to long, or ran past their expected cut off times. A recommendation to the future is to cut the Necrology Service down, not have entertainment during the Banquet but after, and control the weather.

I did see some very positive things happening; the hospitality on Friday night though plentiful was not overdone by anyone that I heard about, the behavior or respect at all sessions was just SUPER!!!!!!!!!!!!, all Seminars were well attended and much talked about afterward in a most meaniful manner, our Leader Dog Rep. Lion Pauline was a great big plus to the whole weekend, P.I.D. kay K. Fukushima and his wife Denise made lasting impressions on all of us, the Sunday Morning Ecuminical Service lead by Rev. Lion Steve Thomas was inspirational to all those who attended, the Executive Inn for their work and the food was exceptional, and finally the Host Club, the Sheboygan Noon Lions though small in number did a yeoman's job on seeing to our every need.

CONGRADUALTIONS SHEBOYGAN NOON LIONS FOR A JOB WELL DONE!!

LIONS OF DISTRICT 27-B1

Thank you for electing me as your District Governor for 1989-1990. I look forward to serving you.

We are having an outstanding year again in 27-31 with Governor Paul. This will continue in the future. In the coming months I will be setting up my cabinet. Any one interested in serving on the District Cabinet should send me a letter with their qualifications and the position in which they have an interest. Also indicate any specific goals you have for that position. This will help me select the best candidate for each position and build a team to serve our District.

SECRETARIES

It has been brought to my attention that you feel you need to wait till the end of the month to send in your M&A Report. Not true. you can send them as soon as your club business is finished for the month. In fact, it is probably better to do it right away while everything is still fresh in your mind of the events of the past month.  
TO DATE I HAVE NOT RECEIVED M&A REPORTS FROM:

- Chilton
- Harrisville
- Twn. of Menasha
- Princeton
- Sheboygan Noon
- Whitehaw
- Winneconne

Secretaries, these are the October reports, and those who sponsored new members will be waiting for their New Membership Growth Pin. I can not send to International until I have all reports. Let's not keep them waiting for you.

BELOIT  
LEO CLUB

We the Beloit Leos have just spent an enjoyable weekend at Lions Camp in Rosholt. We went up Friday night and worked all day Saturday helping with chores around the camp. We partyed Saturday night and returned home after breakfast on Sunday. We make two trips a year to help out, one in the Spring to help get the camp ready for campers and one in the fall to get it ready to close down for the winter. We challenge the other Leo clubs of our District to join us next spring on this trip. It is fun to work together and know we are doing it for a great cause.

Lions Clubs International  
WISCONSIN DISTRICT 27-B1

TO ALL DISTRICT GOVERNORS OF MULTIPLE DISTRICT 27, WISCONSIN:

FROM P.D.G. ED LUDWIG, STATE CHAIRMAN OF LIONS CLUB INTERNATIONAL FOUNDATION:

Please include in your December Newsletter the fact that the week of January 8 through 14, 1989 has been designated as Lions Club International Foundation Week and that during that week we would like a strong effort made by you and your sub-district LCIF Chairman to have each district club make a substantial contribution to the Lions Club International Foundation.

I am happy to note that last year Multiple District 27, Wisconsin contributed over \$72,000 to LCIF in the form of either club contributions or Melvin Jones Fellows. There are now 118 Melvin Jones Fellows in our Multiple District.

Please stress to your clubs that like our own Wisconsin Lions Foundation, Lions International is seeking regular annual contributions to the LCIF and which contributions are disbursed each year throughout the world. The suggested amount is \$10 per club member each year, but the important thing to remember is that each club make some contribution each year so that there is 100% participation in the only worldwide project of our Lions International.

It took 25 years for the Wisconsin Lions Foundation to achieve the goal of 100% participation of all Wisconsin Lions Club in the WLF. LCIF is now in its 21st year and, hopefully, all Wisconsin Lions Clubs will be participation in it by the time it reaches the age of 25! You can make this goal be achieved.

Please also stress to your clubs the fact that contributions to the LCIF are made in two ways, both equally as important. General contributions go into the fund that is disbursed annually as fast as they are received by a committee head by the past international president which receives and passes on applications for funds made through district governors. Last year, two requests from Wisconsin were received and \$70,000 was granted in response to these applications. The second type of contribution received is the \$1,000 amounts toward Melvin Jones Fellows. These contributions go into an endowment fund which hopefully will reach \$20,000,000 when 20,000 Melvin Jones Fellows becomes a reality. As of July 1, 1988, there were in excess of 12,000! Only the interest from this fund is used for disbursements. LCIF would like to see at least one Melvin Jones Fellow in each club.

You and your district LCIF chairman have received information from Lions International on awards available to clubs and districts for the various levels of participation in the general LCIF fund and in naming Melvin Jones Fellows. Let all get to work and make LCIF Week a rousing success by having 100% participation of your clubs in Lions Clubs International Foundation.

NOVEMBER: NATIONAL DIABETES MONTH

Awareness is the message of National Diabetes Month, and the American Diabetes Association wants you to know the warning signs and serious complications of this disease. On behalf of the 237,000 Wisconsin residents with diabetes the American Diabetes Association is working to increase the public's awareness of this serious disease during this time and throughout the year.

Diabetes is a disease in which the body does not produce or respond to insulin, a hormone needed for daily life. The resulting high blood sugar can severely damage the heart, blood vessels, kidneys, eyes and nerves. If left untreated, diabetes can lead to death.

The statistics surrounding diabetes are staggering. Eleven million Americans are believed to have this disease, and 500,000 new cases are reported each year. Of the 11 million, it is estimated that half are unaware that they are victims.

While all people with this disease are potential candidates for complications, the dangerous toll hits those that are unaware of having diabetes. Each year 300,000 people die as a result of diabetes and its complications, and 5,000 people lose their sight. Nearly 25 percent of all new dialysis patients are people with diabetes. About 45 percent of all non-traumatic leg and foot amputations in the U.S. are caused by this disease. People with diabetes are 2 to 4 times more likely to have heart disease and 2 to 6 times more likely to have a stroke.

Although the tendency for diabetes is present at birth, no one knows exactly what triggers its onset. Because the cause is a mystery, knowing the warning signs could mean the difference between life and death.

*The symptoms of* Type I, or insulin-dependent, diabetes *are* characterized by frequent urination accompanied by unusual thirst, extreme hunger, rapid weight loss, weakness, fatigue, irritability, nausea and vomiting. *The onset of* Type II, or non-insulin dependent, diabetes is often gradual and undramatic. Symptoms may include those of Type I, blurred vision or change in sight, tingling or numbness in legs, feet or fingers, frequent skin infections, itchy skin, slow healing of cuts and bruises and drowsiness. *Type II diabetes is the predominant type of diabetes. Those individuals at risk for developing diabetes are over the age of 30, overweight, have a history of diabetes within their family and belong to the Native American, Black or Hispanic race. See your doctor at once if any of these symptoms are present.*

*Nationally,* There is no cure for diabetes, but there is hope. The American Diabetes Association supports an annual multi-million dollar research program dedicated to preventing and curing diabetes. The ADA also supports educational *and camp* programs in an effort to improve the lives of those affected by this disease.

Take this opportunity to learn the warning signs, share them with others and support the activities of the American Diabetes Association. Together, we can eliminate some of the worst diseases of our times. For more information call the American Diabetes Association at (414) 464-9395.

# Without Leo Clubs, a lot more kids would go to bed hungry tonight...

...a lot more garbage would litter the streets. And a lot more shut-ins would need a friend.

Leo Clubs around the world provide hundreds of valuable services and projects every day. From blood drives to tree plantings, Leos reflect the proud spirit of their community, the sponsoring Lions Club, and themselves.

However, Leo Clubs only exist because of Lions Clubs like yours. If your Club hasn't organized a Leo Club yet, maybe it's time to reconsider. Reach out and sponsor a new Leo Club. Your Lions Club deserves it. Your community deserves it.

## BEST RUM CAKE EVER

1 Cup butter  
1 Tsp sugar  
2 Large eggs  
1 Cup dried fruit  
Baking powder  
1 Tsp soda  
Lemon Juice  
Brown sugar  
Nuts  
1-2 quarts Rum

Before you start, sample the rum to check for quality. Good isn't it?  
Now, go ahead. Select a large mixing bowl, measuring cup, etc. Check the Rum again. It must be just right. To be sure Rum is of the highest quality, pour one level cup of Rum into a glass and drink it as fast as you can. Repeat - with an electric mixer beat 1 cup of butter in a large fluffy bowl. Add 1 seaspoon of thugar and beat again. Meanwhile to make sure that the Rum ) of the finest quality try another cup. Open second quart if necessary. Add 2 arge leggs, 2 cups fried druit and beat till high. If druit get stuck in beaters, just pry it loose with a drowscriver. Sample the Rum again, checking the tonscisticity. Next sift 3 cups of pepper or salt (it really doesn't matter). Sample the Rum again. Sift 1/3 pint of lemon juice. Fold in chopped butter and strained nuts. Add 1 babblespoon of browñ thugar, or whatever color you can find. Wix mel. Grease oven and turn cake pan to 350 gredees. Now pour the whole mess into the coven, and ake. Check the Rum again, and go to bed.

### LIONESS:

During the course of my club visitations, I have found it to be most evident that we are caught up in a Lionistic servitude to our communities. As times grow harder on people, more and more demands are placed upon local service organizations. When there is but one service organization in town, an even greater demand is placed on it. If your club is one of these, you know what I'm talking about. Through your M&A reports, the amounts of donations returned to the local community is nearly \$10.00 to every \$1.00 donated to the rest of the Lionistic projects Int'l. promotes. Certainly we do need to return some of the monies solicited from our local areas, but not nearly all of it.

We are an INTERNATIONAL organization, and they need our support as well! L.C.I.F. is our International Foundation through which many programs flow. It is not just a Disaster Relief Program, but is much more. It sponsors Diabetes Research, the leading cause of blindness, our Lions Quest Program that we use in our local school systems was developed from this Foundation using millions of our contributed dollars to do so.

These dollars are spent, and are asking not only for renewal but for increase. What we gave last year was probably the same as we gave the year before and the year before that. You all know that costs increase and demands do also. Bound together as ONE INTERNATIONAL ORGANIZATION, there is no way we can fail whatever we try, but alone we stand only a slim chance to succeed!

If you already have given to the L.C.I.F. program and you have some monies left, think again what you can do with another gift. While you are at it, the same applies to the W.L.F., they also need our increased support!

JANUARY\*\*\*\*\*FEBRUARY\*\*\*\*\*MARCH  
DISTRICT GOVERNOR'S MEMBERSHIP DRIVE MONTHS

January, February, and March are new membership drive months. Remember when you became a Lion, someone asked you to become one and you accepted and the club approved you. Was it really that hard for that person to ask you, and was it that hard to accept his offer? Do you believe in what you are doing as a Lion? If the answer is yes to the last question, then take a careful look around you and find someone to share your beliefs in doing humanitarian services. ASK THEM!

A few words about membership since July. Our District has lost 101 members and gained 99, which means that we have lost only two members District-wide in five months. Why do we lose? Over half of the membership we have lost have resigned in good standing. If they resigned in good standing, what discouraged them from continuing in Lionism?

Did anyone care to ask them? We have a need to save those who fall out because they have valuable experience in them that they take from your club.

We have also experienced a loss in membership due to death. We have lost sixteen of our fellow Lions in five months, does this tell us that we are getting old and need to replace ourselves? It should!

There is a bright side to all of this as well! We have gained ten new members who are Lady Lions! In addition, we have seven clubs that they call their home club. My hats off to you clubs who have taken the initiative to not only seek out new members, but to change in a way that is new and even more viable to your communities.

**We Serve**

DEAR LIONS, LIONESSES, AND LEOS,

With the writing of this newsletter there comes to mind a sort of panic---a panic caused by the realization that there is so much that we all have to do yet and our Lionistic Year is eroding away.

If you will recall my goals for the year were to increase to 50% the number of school districts within our District of Lionism involved in Lions/Quest, to be 100% donation-wise to

Wisconsin Lions Foundation, LCIF, and Leader Dog, and show an increase of membership. We are currently working in these directions but are no where near our goals. Much work needs to be done and it is my pledge to you to strive harder towards these ends.

We here in Cedar Grove want to wish each and every one of you a Prosperous and Happy New Year, and may all of your Humanitarian Services be rewarded with smiles, tears, and hugs. **HAPPY NEW YEAR EVERYONE!**

Lion Paul and Marilyn

LCIF WEEK, JANUARY 8-14

The importance of LCIF perhaps doesn't mean much to us until we can actually witness what good the Foundation can do. Most times when critical usages of the program are invoked we are so far removed that we only can read about or see on TV some disaster in the World. But LCIF is more than a Disaster Relief Fund, our Lions/Quest Program also stems from the Foundation, huge contributions toward Diabetes Research have been granted, along with many local programs where clubs have pledged large sums of money and have fallen short of that monetary goal- ambulances, hospital additions, rescue equipment, etc. are among a few of the many ways LCIF has helped.

" LCIF is our response to the needs of humanity. As we observe its 20th anniversary, we can look back on a chronical of achievement in which each of us can take justifiable pride. More than US\$17.7 million has been dispersed in these 20 years (51% of that in only the past three years), and in lands across the earth, our proud emblem and WE SERVE philosophy are earning increasing repute so there can be no doubt that Lions Clubs International is the most active service club organizations, its members committed to serving needs on a world scale."

Austin P. Jennings  
President

Lions Clubs Int'l.

Many clubs within our District have given in different ways, and for that I want to thank you, but if your club has not yet given to LCIF please do so soon and lets try to have a 100% LCIF District by the end of January!

## SURVEY REPORT

At our District Convention this past November, a question was raised about New Membership Kits, and why clubs need to purchase them from International, when International puts on New Membership Drives and asks for new members monthly. The answer was simply put, if we want changes from International we first have to let them know that changes are needed.

What I am asking each club, not just Lions Clubs but Lioness and Leos as well, is to take your own stationary and put this statement at the top; "OUR LIONS CLUB

OF \_\_\_\_\_ FEEL THAT WE SHOULD NOT HAVE TO PURCHASE NEW MEMBERSHIP KITS, AND THIS FEE SHOULD BE CHANGED OR ABOLISHED".

Have each member sign if he/she is in favor or against the statement, and send them to me and I'll compile and send them on to International. There was another statement made at a zone meeting about the poor quality of products coming from Int'l. Supply. If you want to include this with the Survey please do so on the back or different piece of stationary. I'm going to set a March 1, 1989 deadline on this.

## WISCONSIN LIONS FOUNDATION

A reminder that the calendar year for WLF is drawing near, March 31st to be exact. If your club has not contributed this year so far please consider doing so soon.

Those monies

that WLF had are for the most part spent since nine months of its year have already gone by. To those clubs who have been so generous already, a BIG thank you from your two WLF Directors PDG's Herb and Milt. Without you we could do nothing at all.

## SECRETARIES

As of this writing December 29, 1988 there are 28 M&A reports in so far. THANK YOU! This month is especially important because your club will be receiving the second half of their dues billing, which is based upon the December M&A membership report. I had two M&A reports before the 10th of the month, you don't have to wait for the end of the month to send your reports in.

## PRESIDENTS

Are your committees working? If not, you are the only one who can change this condition. A good leader is an informed leader who knows what is going on. Stay on top of your committies and delegate your authority wisely and guide with discretion. Also, there are people to help you if you are having problems; Zone Chairman, Regional Chairman:DGE's, Past District Governors and even the current one. We all want your year to be the best.

## CONVENTIONS UP AND COMING

### STATE

Milwaukee- May 18-19-20 see your November and December State Lions Magazine. Each year they get bigger and better!

### INTERNATIONAL

Miami - June 21-22-23-24 Your Lions International Magazine has been carrying articles about this since September along with Housing and Registration Forms. I also have been running a pre-tour ad in the past two Newsletters. International Conventions are fun, where else can you go and meet people from nearly 163 countries worldwide? The State's hotel in Miami is the Sans Souci Hotel which is located near to the Convention Center. Make your plans soon!

OMRO MARCHING BAND TO LIONS INTERNATIONAL CONVENTION

Omro Lions report that the collection for the band has pretty much come to a standstill with \$1240.00 collected so far. The total needed was \$3800.00. They can use your support, and I could too as I have been faithfully shaving every day. What a chore! To those clubs who have already contributed to this worthy cause the Omro Lions would like to thank you at this time. Remember that this band is going to represent the State of Wisconsin in Miami, but they are our District 27-B1 kids. A very proud thing indeed.

JANUARY - FEBRUARY- MARCH ARE DISTRICT GOVERNORS' MEMBERSHIP DRIVE MONTHS

These three months are going to be your clubs busiest months with projects to complete, elections, and outside meetings to attend. Somewhere in that schedule you should run across someone to ask to be a Lion. There are many waiting to be asked but it is you who have to initiate the conversation and you must do the talking. Good quality Lions are not hard to come by, just measure them up to the good qualities that you have and then go ahead and ask.

A CHANGE AT THE INTERNATIONAL CONVENTION

Key members will now be recognized during an international plenary session. Due to this change, the Key Members Breakfast at future conventions will be discontinued.

ALL CABINET MEMBERS

On Sunday February 12, 1989 we will meet at the Columbus Club in Appleton. This will be a Joint Meeting with B2. I would like all of you to bring your December Newsletter with you, as the Convention report is in there and the budgetary statement.

Some concern has been raised from clubs throughout MD 27 about the state Sales Tax on Occasional Sales by Non-Profit Organizations. As of Jan 1, the new statute places the nontaxable limit at \$15,000. As directed by the Council of Governors, I have approached the WLF President about the possibility of using the WLF as a repository of funds from clubs, thus taking advantage of the Foundation's tax exempt status. In view of the change in the law, I have been asked to investigate this to see how many clubs are adversely affected and to present this information to the Board of Directors of the Foundation at our January meeting.

LEADER DOG CHAIRMAN REPORTS

All of you that attended our Sheboygan District Convention saw Lion Pauline Urley and her Leader Dog Keller move around the convention totally unaided.

You may not have learned that she works full time for the State of Indiana. She has been blind since the age of two because of lightning. Since then her schooling has brought her a Masters Degree. Her being with Us in Sheboygan came from her desire to promote the Leader Dog program which has meant so much to her.

Last year 12 Leader Dogs came to Wisconsin, in 1986-87 18, and this year to date 6.

With over 300 Leader Dog teams graduated each year from the school at a cost of over \$7,500 per team you can see that this program needs your support.

With one half of this Lionistic year behind us only 11 of our ninety nine clubs have made contributions totaling \$1,550. During 1987-88 District 27 E-1 contributed \$14,168.08.

AUSTIN P. JENNINGS  
President

December 12, 1988

Dear District Governor:

As you know, in the last two weeks two major earthquakes have occurred--in the Peoples Republic of China and in Armenia, in the USSR. I am sure that all Lions, Lionesses and Leos join Carmine and me in our feelings of deep sorrow and concern regarding the immense losses of life and property and injuries suffered by the residents of the two affected areas.

I have received several communications from Lions, Lionesses and Leos inquiring as to whether or not we can help alleviate the problems arising from these natural disasters.

From all reports there seems to be a strong and adequate response from many quarters in the international community to meet the immediate emergency needs of the surviving residents of each area.

Following consultation with Immediate Past International President Stevenson, our LCIF Chairman, it is our shared belief that any assistance we may be able to provide should have as its purpose a project of some permanence--such as a hospital or school or housing that will have ongoing benefits and recognize the concern of Lions for years to come. For those who wish to help in this way, please forward your contributions to:

Lions Clubs International Foundation  
300 22nd Street  
Oak Brook, Illinois 60570-0001 U.S.A.

All such contributions should be designated for "LCIF Disaster Relief Fund."

As we do not at the moment have Lions, Lionesses or Leos in either affected area, we are consulting with the authorities on site, as well as with our members in bordering nations, to finalize what use may best be made of all contributions.

If, like so many Lions who have already been in contact with us, you wish to participate in this disaster relief effort, please be assured that your donations will have a lasting effect in those areas where they are needed most.

Again, our hearts go out to all who have suffered so greatly from these natural disasters.

Yours in Lionism,

  
Austin P. Jennings  
International President

### LATE EVENING NEWS

Entire Frozen Cheesecake Eaten Directly from Freezer

## RULES FOR THIS DIET

1. If you eat something and no one sees you eat it, it has no calories.
2. If you drink a diet soda with a candy bar, the calories in the candy bar are canceled out by the diet soda.
3. When you eat with someone else, calories don't count if you don't eat more than they do.
4. Food used for medicinal purposes NEVER counts, such as hot chocolate, brandy, toast and Sara Lee Cheesecake.
5. If you fatten up everyone else around you, then you look thinner.
6. Movie related foods do not have additional calories because they are part of the entire entertainment package and not part of one's personal fuel, such as Milk Duds, Buttered Popcorn, Junior Mints, Red Hots and Tootsie Rolls.
7. Cookie places contain no calories. The process of breaking causes calorie leakage.
8. Things licked off of knives and spoons have no calories if you are in the process of preparing something. Examples are: peanut butter on a knife making a sandwich and ice cream on a spoon making a sundae.
9. Foods that have the same color have the same number of calories. Examples are: spinach and pistachio ice cream, mushrooms and white chocolate. NOTE - chocolate is a universal color and may be substituted for any other food color.

# Lion members are needed!

Participate in your District  
January-February-March Membership  
Growth Program

Clutch-back award for sponsoring one or more new  
members

## *In your club...In your community...In your district...In your country*

As they have for many years, **January, February and March** have been proclaimed as District Membership Growth Months. Each Lion who sponsors one or more new members during this period will receive a special pin from the District Governor in recognition of his or her special efforts to increase the number of Lions available to serve the community.

Make plans now to implement the program in your Club. **Everyone will benefit.** Your Club will have more hands to help in fundraising and service activities. Your District Governor will feel pride as he turns over a stronger district to his successor. And, your Association will gain added prestige as it expands the scope and reach of its humanitarian services.

As you work with the Membership Committee and other members, **stress the following:**

- To reduce the average age of our members, we must emphasize **youth**. Ask members to invite prospects who are at least as young as they were when they were inducted (or even younger)!
- Women now comprise more than half the world's population. Their talents and achievements have moved many to the highest levels in business, government and the professions. **Put their talents to work for you**, and your Club's achievements will grow, too.
- Remind all that they would not be Lions now had no one asked them to join — and that they have an obligation to **share** their good fortune with others.

While stressing these points, keep in mind that men and women of all ages can enhance your Club's quality if they are "of good moral character and good reputation," and can afford the money and time it takes to be a Lion.

**Urge every member to become involved** in the January-February-March District Membership Program. They'll receive this handsome and unique pin — and the satisfaction of knowing they've added greatly to the service potential of Lions Clubs International.

DISTRICT GOVERNOR PAUL TADYCH  
Route 1  
Gedar Grove WI 53013

1989

1

Dear Lions, Lioness, and Leos,

It is most difficult to believe that we are well into the second month of our District Membership Growth. We have 15 new members for the month of January, but have lost 36 according to the January M&A's. I'm sure that with some good hard work at seeking out new quality members we can overcome the drop in membership. It is important that the new members we bring in will remain members for, hopefully, the rest of their lives, and will be dedicated to the same purposes of Lionism that we are.

There are still clubs who have not appointed their membership chairman. Please do so now and get their names and addresses to me as soon as possible. These chairmen are going to be receiving a lot of important information soon, and your club will be left uninformed if I don't get these names. A list of those I have will follow later in this newsletter.

Marilyn and I are just back from the State Council of Governors Meeting at Marshfield. We had a very cordial welcome there from the M.A.R.S. Lions, as we opened the State Bowling Tournament. I wish I could report that the State Bowling Committee treated us the same, but they had it all cooked up to continue the status quo by beating the District Governors again. Incidentally any of those clubs who have not decided to send a team yet, the M.A.R.S. Lions said they would continue to accept teams right up until the last day of the tournament.

The council meeting was very positive with much accomplished. Plans for the State and International Conventions were discussed and are in the final planning stages. Don't forget if you are going to the International Convention, that the dress code for the parade is the red Wisconsin bowling shirt, white pants or skirt, and white shoes, or you will not be allowed to march.

There were many resolutions discussed that will be voted on at the State Convention. One of them is a \$1.50 dues increase per member, which is so important because the increase is needed to fund the operations at the State Office.

I would also like to thank all of those clubs, both Lions and Lioness, that have made the \$1.00 donation to help offset the deficit that we were faced with at the outset of this year. You have helped this year's Council through some difficult times this year. Again, THANK YOU.

We have time remaining this year to do some GREAT services in Lionism in our communities and the rest of the World; all we have to do is think positively.

Yours in Service,

*Paul Tadych*

#### WISCONSIN LIONS FOUNDATION

Did you know that there are 29 Lions Clubs in District 27-B1 who have not as of this writing contributed to the WLF?

Did you also know that being a 100% District is one of your Governor's goals? All of the above is true! WLF needs your support so that they can continue to do all the good work in our State. So, if your club is one of those clubs who have not done anything about donating to the WLF yet, please do so soon, not for my sake, but for yours. You have until March 31, 1989 to do so and then they start their new fiscal year. For the most part, they have spent the money you haven't already donated by having the WLF take it from their Endowment Fund.

Speaking of the Endowment Fund, did you know that there is a little over \$500,000 in it, and if the WLF had to use it to run the Lions Camp at Rosholt, there isn't enough money to run the camp for one complete summer. A suggestion to those of you who can or may need a tax deduction, a contribution to the foundation is considered tax deductible because it is a foundation.

#### LEADERSHIP SEMINAR

On Saturday and Sunday February 25 & 26, 1989 at the Elizabeth Inn, Plover there will be a Leadership Seminar held. This is for all State Lions, especially those who are interested in doing a good job for their own club. P.D.G.'s

Ron Duffy, Phil Ingwell, and Dennis Kitchen will be the presenters for the seminar. If you want to learn about Lionism-----BE THERE! Incidentally, PDG's Phil and Dennis will be in school learning new techniques to better help you at this seminar.

#### AN OBSERVATION FROM CLUB VISITATIONS

Many clubs do not take advantage of the expertise that we have in our own District in the form of District Chairmen. They are all available to put on programs for your club's meeting. Their presence should be a learning experience for all your club members. I have heard questions as to "where can we find good programs", or "do you have a list of speakers?" My answer to both questions Presidents and Secretaries is to use your Wisconsin Directories and you will have an exceptional year and your Lions will have a better understanding of Lionism. Use our District Chairmen!

## Our Symbol of Hope

Since ADA's first official seal was created in the 1940s, it has gone through various changes until becoming what we now refer to as the official logo. Despite these design changes the predominant theme of the equilateral triangle has remained the same.

The three sides of the triangle represent three major goals of the ADA in our efforts to cure and conquer diabetes.

The base of the triangle represents research. This part of the triangle is broken to indicate the gaps we have today in our knowledge about diabetes and our search for a cure.

The left side of the triangle represents detection. This side also is broken to represent undetected people with diabetes.

The right side of the triangle is unbroken and represents education. Educating the public

about diabetes and its warning signs is critical for finding undiagnosed people who may be at risk for diabetes. Education is also necessary for people who have diabetes, to ensure that they know how to properly manage their disease. This side of the triangle remains unbroken because ADA is the leading voluntary health agency in the field of diabetes, with the most comprehensive public education program.

This triangular design serves as an identification device, and given extensive visibility by our affiliates and chapters, it will be recognized by the American public as representative of the American Diabetes Association, the health agency whose dedication lies in finding a cure for diabetes and helping all those affected by the disease.

All District Governors:

Please inform all your Club Secretaries that each June and December since July, 1974, we send each Club in the Association a Semi-Annual Per Capita Billing which includes a list of members on our records. This is a further opportunity for the Club to bring its records into agreement with our records. (That is the purpose of showing all the names on the billing.)

If additions are needed they must list name, address, date of entry and sponsor. If deletes, we need date dropped and reason.

1989

**We Serve**

Dear Lions, Lioness, and Leos,

The name of this month is aptly named, MARCH, because it reminds us that we had better get our act together in the few remaining months that we have in our Lionistic Year. All the things that you thought about when you enthusiastically began your leadership role this past July are now coming to a finalization, if they are ever to be accomplished this year. Give it some thought, did you do or try to do everything that you had planned to? Now is the time to MARCH ahead to accomplish all those goals.

I cannot express in words all the feelings that Marilyn and I have shared in meeting so many of you. The friendly atmosphere that has been shown us when we have visited your clubs has been soul strengthening to both of us. As I have stated to many Lions and non-Lions, I am having one of the best years of my life, and would not trade it for any that I've ever had. I know that it has changed me into a better understanding and resolve to carry on in working the workings of Lionism. "WE SERVE".

Lion Paul

## SECRETARIES

By now you should have received the Delegate and Alternate Cards for the State Convention. We still have the month of March to go before the D.G.'s Membership Drive is over, and any increase in membership in your club will be taken care of as your M&A's come in at the end of March. I know of one club already who needs additional cards.

Lions, Lioness, and Leo secretaries get the above mentioned reports to me as soon as possible after your clubs election. International needs them by the 30th of April. Why wait? As soon as your club's elections are over send them in. Not only does International need them, but DG Elect Lion Tom Thorson does to so he can get his report into the State by May 15, 1989.

PRESIDENTS AND SECRETARIES, YOUR FINAL CHANCE AT BEING 100% AS FAR AS ATTENDING A ZONE MEETING ARE FAST APPROACHING. YOU MUST ATTEND AT LEAST TWO ZONE MEETINGS TO BE ELIGIBLE!

## MARCH IS EYEBANK MONTH

This most important work that we as Lions do is so worthy to designate an entire month to. Remember all those applications for eyeglasses that your Sight Committee brought before your club this year? Well do something about all their work! Honor these Lions at your general meeting this month, at least with a thank you. I want to thank all those clubs for their activities at this time. You have made it possible for the collection of nearly six million pairs of eye glasses since this program came into being. Thank all the Lions, Lioness, and spouses for all those late night drives through all kinds of weather to deliver human eyes to the Eyebanks in Madison and Milwaukee. Your caring has made SIGHT possible for many people. Let your communities know what you've been doing by advertizing in your local press. Get the Word Out!

## FIGHT FOR SIGHT IS A REALITY

At the last Cabinet meeting of District 27-B1, the Fight For Sight Project was approved by the cabinet. This project is most worthy and necessary for research development to forge ahead in our state.

The research facilities in Madison are scattered throughout the medical complex which leads to poor coordination of efforts being done. The new research lab will take care of this and will give Wisconsin the leadership in eye research.

The research lab will have the WLF logo on its walls and we are pledged to raise \$500,000. This is only a part of the monies needed, but we are only pledged to raise the \$500,000.

The pledges to the Fight For Sight Program are not to be misconstrued as a donation the Wisconsin Lions Foundation but is a completely separate project. Bear this in mind as you think of were to place your monies because the WLF needs your support too.

This program is being done in all ten districts of MD27, and is a completely voluntary program. Pledges can be made for several years into the future so as not to be a burden on the club.

## WLF HOLDS RAFFLE

When you see Lion Milt or Lion Herb coming up to you with raffle tickets in their hands, they are a Foundation project to enhance the Foundation's Endowment Fund. This raffle has to do with a set of State Pins that they have. They're \$1.00 apiece or six for \$5.00. You young Lions such as myself who have practically given up the idea of ever owning a complete set of State pins, this is our chance. Besides that, your chances of winning are better than winning the State Lottery.

## DONATIONS TO WLF ARE DOWN THIS YEAR.

Last year's total donations to Wlf from our district totaled \$48,556.09, and as of February 27, 1989 the total was \$40,861.98. With 31 days to go before the fiscal year ends for WLF, that's right, March 31, 1989 ends their year,

we in District 27-B1 have a long way to go match last year to say nothing of any kind of an increase. Clubs who haven't donated as of yet are: Brillion, Mishicot, Collins, Green/Glen, Larson/Winnchester, Omro, Winneconne, Eldorado, Van Dyne, Campbellsport, Eden, Plainfield, Red Granite, Wild Rose, Endeavor, Harrieville, Oxford, Berlin, Green Lake, and Neshkoro. OFFICIAL MINUTES OF CABINET MEETING

of District #: 27-B1, Lions Clubs International, held on 2-12, 1989, at Appleton, Wisconsin Meeting was called to order at 1:00 P.M., by District Governor Paul Tadych who acted as chairman,

(CABINET SECRETARY: In the minutes be sure to list the name and office of each person who is present during the cabinet meeting.)

Minutes of Business Meeting

The joint meeting of Districts 27-B1 and 27-B2 at the Knights of Columbus Club in Appleton was called to order by DG Paul Tadych. The following quests were introduced: DG Don A. Pavlat, ID Helmer Lacy, PID Eddy Eick, PDG Peter Cerniglia, Eyebank research Dr. Chandler, CST E.A. Erickson, CST Harry Boldt, and IPDG Dwaine Habrat. PDG Pete Cerniglia introduced speaker Dr. Channler of the Madison Eye Research who explained a need to add two floors to the research building in Madison to the joint session. PDG Cerniglia explained the Fight for sight campaign to raise 1/2 million dollars to add on two floors to the research building. He also answered questions Lions had on the program. The goal is \$50.00 per member and to raise the money by the state convention in May. This Fight for Sight is an extra program and is not to replace money raised for Wisconsin Lions Foundation and other projects. Money over the 1/2 million raised will go to WLF. PDG Bob Entringer explained to the cabinets Wisconsin Lions Week. The program will start with the May state convention in Milwaukee. It will be implimented on two levels, state wide and grass root. More information will be following in the Wisconsin Lions Magazine. If it works out it will be continued in the future. IPDG Habrat led the Pledge of Allegence to the Flag. Buchholz said a prayer and led in the singing of "God Bless America." The two cabinets then divided into their separate meetings.

Lioness June Kitchen explained the Lioness Advisory Committee and the need for money for postage. Moved by ZC Korth and second by ZC Showers to donate \$10.00 to the Lioness Advisory Committee. The motion carried.

The following Lions were present at the cabinet meeting: DG Tadych, DST Boldt, IPDG Habrat, DDG Voight, ZC Pettrie, ZC Birkle, DDG Peterson, ZC Dammrow, ZC Adams, ZC Roberts, DDG Thorson, ZC Knox, ZC Korth, ZC Pfaffenroth, ZC Champeau, DDG Hautamaki, ZC Copas, and ZC Showers. The following committee chairmen were present: Coleman, Kuester, Harder, Joneth, Sonnenburg, Hoffman, Doede, Williams, Heimke, Koch, Erick, Kringel, Murty, Johnson, Kitchen, June Kitchen, Harrington, Cecil, Buchholz, Rohde, Wood, Schneider, Hildreth, and Reiss. Quests present were Lee, Showbow, and ID Lacy.

A motion by ZC Showers and second by ZC Copas to approve the minutes of the last cabinet meeting in Sheboygan. Carried. Moved by DDG Voight and second by DDG Peterson to approve the financial report. Motion carried.

Old Business

Cabinet Secretary-Treasurer

(Continue on reverse side)

Chairman of the District convention, Sonnenburg, gave the convention report and suggested two guide lines for the next convention in Manitowac. A motion by ZC Showers had second by ZC Dammrow to establish a committee to develop a policy manual for District conventions to be passed out in printed form at the next cabinet meeting on April 9, 1989. Carried. The other recommendation was to develop a policy to have more clubs in sponsoring conventions and this would develop more competition among clubs. A copy of the convention report is here by attached as part of these minutes. IPDG Habrat gave an update on the state convention in Milwaukee, May 18-20' IPDG Habrat voiced a concern that the convention will not be well attended because of the cost factor. The District meeting will be held at the Pfister Hotel in the Imperial room. PDG Kitchen reported that ID Lacy will be honored at the International Convention in Miami on, June 20-24. The Wisconsin breakfast will cost \$8.00 per person. The Omro band will also be there to march in the parade at a cost of \$3,800.00. Moved by IPDG Habrat and a second by ZC Korth that 27-B1 donate \$100.00 to the Omro Band for the International Convention. Motion was carried. Coleman reported that Manitowac convention in October has now reserved rooms at the Holiday Inn at a cost of \$40.00 per room. A Sunday brunch is also planned for the cabinet meeting. A motion by DDG Peterson and a second by ZC Petrie that the money collected by the Tail Twister at the Sheboygan convention be donated to WLF for Lions Camp. Motion was carried. A discussion of the Fight for Sight was held with a motion by DDG Peterson and a second by ZC Copas that the District approve the Fight for Sight state wide project. The motion carried by a hand vote 14 yes, 2 no.

#### New Business

IPDG Habrat reported on the state resolutions for 1989. He gave a short summary of 8 resolutions now being considered and 4 others yet not formed up. A final report will be given at the April cabinet meeting. DG Tadych reported on the Youth Exchange that Jim **GAY** is now the chairman and a need for \$700.00 be collected in 27-B1. It was suggested that each club contribute \$50.00 to this program. WLF PDG Schneider wanted permission to sell raffle tickets in the district for WLF. The prize being a collection of state pins. He wanted zone chairmen to help get tickets out to the local clubs. A motion by ZC Showers and a second by ZC Korth to allow the WLF to sell raffle tickets in District 27-B1. The motion carried by voice vote.

#### Committee Chairmen Reports

Diabetes chairman Kueter had no report. District Elections chairman Reiss had no report. Bowling chairman harder reported ladies can bowl at the state if they are Lions. He mentioned other future sites for bowling. District Pin Chairman Joneth reported District will pay \$1.83 per pin this year and 1500 had been ordered. A motion by ZC Petie and second by ZC Knox that the District 27-B1 pin sell for \$2.25. The motion was carried. A motion by ZC Roberts and second by ZC Birkle that all pins sell for \$2.25 with no special consideration. The motion carried. Environmental and International committees had no reports. Hearing and Speech Chairman Hoffman reported that money was coming in slowly and video tape or sides are available. Leadership an Indoctrination chairman PDG Kringle reported a need for clubs to use chairmen to speak

to local clubs. LCIF Chairman PDG Koch had no report. No report for Leo Clubs by chairman Johnson. Historian and Sight Conservation chairman PDG Doede reported that eye tissue donations are down from last year and that Lyme disease can cause eye problems. Lion Lioness Ext. 1 & 2 chairman Smoot reported he is working on a club right now. Ext 3 & 4 chairman PDG Kitchen gave a report on a Lioness Club who was having problems. Membership and Retention chairman Harrington reported there is a need for new members and he had a form for zone chairman to fill out. Chairman Cecil from Public Relations reported he has sent article to magazine but as yet it has not appeared. WLF PDG Wood reported a need to increase donations and listed some improvements needed at the camp. WLF PDG Schneider reported that there will be two Sight Conservation meetings next year and will be able to tour Eye Bank during the state convention. Leader Dog chairman PDG Murty reported that 21 clubs have given so far along with 27 Lioness clubs. A motion by DDG Voight and second by ZC Dammrow to dispense with the deputy reports. The motion carried. ID Lecy reported on international affairs. The meeting was adjourned at 5:10 P.M. by a motion by ZC Showers and a second by ZC Dammrow. The motion carried.

## Lions Clubs International Research Programs

The American Diabetes Association will administer the 1988-89 Lions Club International Foundation Clinical Research Program in Diabetic Eye Disease. This program funds research grants in the United States and throughout the world. Grants are restricted to research related to diabetic retinopathy and may be in the form of Research and Development Awards, Feasibility Grants, or Fellowships.

The Research and Development Award is designed to assist young investigators make the transition to becoming independent investigators. The award supports such individual's salary and research program for two years to enable the investigators to initiate independent research efforts that would result in sufficient accomplishments to qualify for future long-term research funding.

The purpose of the International Feasibility Grant is to assist investigators who want to test the feasibility of new and innovative diabetic retinopathy-related ideas in order to obtain preliminary data upon which a subsequent research grant application could be based and submitted to other funding agencies. The program is intended for investigators with or without prior significant support, for established investigators in the field of diabetes who are proposing projects which constitute a new and exciting line of research, and for established investigators in other fields who are proposing projects in which they will transfer their special expertise to retinopathy-related research.

The Lions Clubs International Fellowship Program is designed to support the training of physicians toward a career in the investigative and clinical aspect of diabetic retinopathy and to encourage Ph.D scientists, to undertake basic research in the area of diabetic retinopathy.

Dear Lioness,

Enclosed is a copy of your Registration Forms for the State Convention in Milwaukee. This is a separate form for the Lioness and Guests to register on. It is very important to register early, as it will avoid much confusion at the time of arriving at the Convention.

The schedule of Lioness activities are also enclosed. I hope you will take special note of the Friday 1:15 Lioness Session on Child Abuse. This is a project which all Lioness in the State of Wisconsin are adopting. Please remember that the adoption of a child abuse program as a state wide Lioness project does not mandate participation, involvement would be optional. The activities for the entire state will work with social service agencies. Three areas of involvement that are being considered are on hands program, fund raising or the dispensing of information. The latter type of involvement meets with most groups. The public seems to be uninformed as to what constitutes child abuse by law and needs to be made aware of what resources are available and where.

If your clubs plan to work on this program, no matter how little or how big you make this program, we will provide you with "stepping stones" on how to proceed in the project. Before your club says yes or no to the project please look into the program and plan to attend the special session at State Convention.

Yours in Lionism,

1989

**We Serve**

Dear Lions, Lioness, and Leos,

During this time of Eastertide, Marilyn and I would like to wish you all a Holy and Blessed Easter Season. This is the time of year for a rebirth of all things living, and a renewal of our own thoughts and ideals. We must again remember our commitments to those less fortunate than ourselves. Not only to renew, but to strengthen these ideas to a fuller purpose. The purpose, "WE SERVE", can only begin to take on its true meaning when we ourselves DO BELIEVE.

With the coming of the Spring Season we also need to understand that another year of Lionism is rapidly drawing to a close. Even now, new officers are being elected to take the place of the old. Have you accomplished all that you set out to do? And to you new officers, have you begun to set your goals as the new leaders for your clubs? The time is now, not when you take official office.

As you read this, a year has already passed for our Wisconsin Lions Foundation, March 31st. If yours was a club who waited until the very end to donate to YOUR OWN Foundation, then you need be reminded that the Foundation operated almost an entire year without your club's donation, but had to get the money to operate all of its programs from some other source. That other source being interest money from a very weak Endowment Fund, or to rely upon the generousities of other clubs who did not hesitate to give more. Please keep this in mind as we enter April, that a new year has started for the Foundation, and to donate early to YOUR Foundation, so that they will have the capital to fund all of OUR programs to the best of their abilities.

Foundation Directors Lion Herb and Lion Milt wish also to thank all of the clubs who so generously gave to the Foundation this year. I feel that we had an outstanding year this year as far as all WLF Programs have gone. I also would like to thank the clubs in this endeavor, and to especially thank P.D.G.s Herb and Milt for an outstanding year of service.

## LIONS "FIGHT FOR SIGHT"

In my last newsletter it was announced that District 27-B1 was at last involved in the "Fight For Sight" fundraiser. This fundraiser is an ambitious program for an eye research lab in Madison, (your clubs should have all received several mailings on this). Many clubs have decided to join in fundraising for this project, and I'd like to relate to you one of them. This happened at a zone meeting of Region 4 Zone 2, which happens to be Lion Bob Shower's zone. At this meeting, P.D.G. Peter Cerniglia, Chairman for "Fight For Sight" committee, was the guest speaker. After Lion Pete was finished with his presentation, there followed a presentation of checks from the zone, the likes of which Lion Pete would like to see happen many times over, as over \$12,500 in cash, checks, and pledges were offered. One Lioness present topped the event off by telling of her daughter who has had several corneal transplants with each ending in rejection. Lion Pete's eyes were wet for a second time that evening.

The total amount needed to reach the "Fight For Sight" goal is \$500,000 by this coming State Convention. I have been told that the total amount of donations received to date is \$107,000. So you can see we have a ways to go yet, and time is running short! ABOUT 45 DAYS AS A MATTER OF FACT.

Participation is strictly voluntary, and donations or pledges are not to be confused with the Wisconsin Lions Foundation. This a separate project, so if you do decide to pledge, this not a donation to WLF!

The total cost of this eye research lab is 8.6 million, and will be called the Wisconsin Lions Eye Research Lab. Additionally, contributors to it will have either their name or clubs named engraved on a brass plate and placed into a wall display in the entry to the lab.

## DISTRICT 27-B1 PURCHASES

Due to the talents of the District Tail Twister Lion Ken Rhode and another personal contribution, the District was able to remove from the Lions Camp Wish List the power transfer system that was badly needed at Lions Camp Rosholt.

## SECRETARIES

WHEN YOUR CLUB HAS THEIR ELECTIONS THIS MONTH, GET YOUR PU-101 REPORTS INTO ME AS SOON AS POSSIBLE IF NOT SOONER. IT IS MOST IMPORTANT THAT THESE REPORTS BE ALL IN BEFORE THE END OF APRIL BECAUSE THEIR CONTENT IS MOST VALUABLE! DISTRICT GOVERNOR ELECT RECEIVES THEM AFTER I DO, AND HE NEEDS THEM TO GET THE DISTRICT DIRECTORY IN ORDER FOR HIS YEAR. ANOTHER REQUEST, PLEASE CHECK THEM OVER CAREFULLY BEFORE MAILING THEM IN. IT IS ALSO HARD TO READ SOME PEOPLES HAND WRITTING, SO USE A TYPEWRITER OR PRINT. LAST YEAR, I HAD A FEW PEOPLES NAMES MISPELLED DUE TO THIS FACT.

LIONESS AND LEOS, THE ABOVE INFORMATION IS FOR YOU TOO! AS A MATTER OF FACT, I WOULD LIKE ALL LL71'S IN BY THE END OF APRIL TOO.

## L.C.I.F.

PDG Lion Tom Koch advised me that we are in need of more clubs donations to LCIF. We are behind in contributions that we had last year at this time, and any and all club help would greatly be appreciated.

The Melvin Jones Fellow Committee for the District for 1989 will be as follows: Region 1 - DDG Vic Voigt, Region 2 - ZC John Damrow, Region 3 - DGE Thomas Thorson, Region 4 - Lion Gary Williams, and rounding out the six person committee are ZCs Patrick Champeau and Bob Showers.

District selection will be held sometime in June, but now is the time for clubs or Lions to submit their resumes into one of the above mentioned Lions, or into PDG Tom Koch  
Box 218  
Rosendale, WI.  
54974

who is District LCIF Chairperson. I do know that there were a number of candidates offered last year who were not selected, that should be resubmitted by their home clubs. Let's get on this and recognize those Lions that you know deserve this type of recognition.

## DISTRICT GOVERNORS INTERVENTION

It sounds like this newsletter is only talking about donations, and it has been said, "Is there never an end?" My answer to this is simply, when there are no more needs then there will be an end as we will have accomplished all that there is.

## WISCONSIN LIONS WEEK. MAY 14-21, 1989

Please read your April issue of the Wisconsin Lions Magazine for instructions about what your club might do. I would hope that all of the clubs within our District will advertise what they do in some form or matter. It's going to be really important that your PR chm. keep atop of things and DO IT!

## STATE CONVENTION MILWAUKEE - MAY 17-20

The stage is set and last plans are being completed. The Marc Plaza is to be the Headquarters Hotel, and this is where to go to register. The District Meeting will be at the Pfister Hotel on Friday morning in the Empire Room.

Certification of Delegates will be handled before this meeting, and on Saturday morning, 8:30 am - 12:30 pm, near the morning business session held in the Crystal Ballroom of

the Marc Plaza. Delegates are asked NOT to line up to vote while the business session is going on. Either the Sgt. at Arms will ask you to disperse or you will be visited by a very active talltwater. A Lion either belongs in the business session, or elsewhere. There will also be a special Delegate Section set up for all Lion Delegates and they are asked to sit there.

A District Pin Raffle will be held during the Friday District Meeting, and the cost will be either \$3.00 or two club pins. These are a collection of nearly 60 club pins that I have been collecting over the years of being a Lion, and am offering them to you. Profit from the raffle will go to the WLF Endowment Fund.

#### 1989 DISTRICT AND STATE PINS

New District Pins can be ordered from any zone chairman or from District Pin Chairman Andy Joneth. Your DG may even have some with him if you can find him. I also have State Pins with me when I am out on visitations, or if I'm going to be passing near, I can drop them off. Otherwise order State Pins from the State Office in Point. I might also add that both pins are going fast, especially the District Pins and we only ordered 1,500 this year at a cost of \$2.25 each. State Pins cost is \$2.00.

#### PRESIDENTIAL REMINDER

Please read to your clubs the copy of the State Resolutions to your membership, and discuss them. A copy will appear in the Lions State Magazine in April.

Many of your club members set their vacation schedules up so they can attend the State Convention, and have to do so a year in advance. According to our State Constitution, page 9 article 12, you can always get the exact date. It states, "the State Convention is the second Thursday following the first Saturday of May."

### Instructions

1. Hold the grid 12 to 14 inches from your eyes (comfortable reading distance) or place chart on wall at eye level.
2. If you normally wear glasses for reading, do the test with your glasses on. If they are bifocals, look through the bottom or reading portion of the lens.
3. Look at the dot in the center of the grid. Now cover your left eye and continue to look at the dot with your right eye. Repeat the test, covering your right eye.
4. You should be able to see the four corners of the square and that the large square is made up of many smaller squares.
5. If any of the lines disappear or look wavy when you cover either eye, you should see an eye specialist immediately. This could be a warning sign of macular degeneration.

## WISCONSIN LIONS FIGHT FOR SIGHT FUND RAISER HIT \$124,586.70 IN FOUR MONTHS

On November 22, 1988 all Lions, Lioness and Leo Clubs were sent a packet introducing the WISCONSIN LIONS FIGHT FOR SIGHT PROJECT. In four months we are over one fifth of our goal of \$500,000. A challenge to each Lion, Lioness and Leo Club to go out and raise \$50.00 per member to help reach our goal of \$500,000. Let's show the people of the world that the Lions, Lioness and Leos of Wisconsin *care*.

### REGION 4 ZONE 2 OVERWHELMED FIGHT FOR SIGHT CHAIRMAN

Fight For Sight Chairman Peter Cerniglia, walked away from Region 4 Zone 2 Zone meeting with a total of \$12,722.38 cash and pledges and tears in his eyes after his speech on the needs for the Eye Research Center Fund Raiser. Lions and Lioness Clubs presented checks and pledges. Then came the personal donations from individual Lions, Lioness and the waitresses. It will be a night that P.D.G. Peter Cerniglia will never forget. Thanks to Zone Chairman Bob Showers, the one who did all the leg work in getting the contributions and setting up the meeting and also to the Lions and Lioness who not only gave up their time to raise the funds, but also gave a personal donation.

### YOUR CLUB SUPPORT IS NEEDED

To reach our goal of \$500,000 we need the support of all Lions, Lioness and Leos. We are hoping to reach our goal by State Convention. Please read this information to your club or send a copy to each member. **We are at \$124,586.70 at this time.** To prove that Lionism in Wisconsin believes in Sight Conservation, please send in your Pledge Sheet. **WE NEED YOUR SUPPORT.**

This is a Wisconsin Lions Special Project and is not considered as your regular donation to the Wisconsin Lions Foundation or Lions Camp.

**MEMBERSHIP

**How To Make Meetings More Interesting**

As you know, making your Club meetings interesting is one of the major ingredients for a successful Club. Like it or not, many of your members will never achieve Perfect Attendance Awards unless they can regularly look forward to a meeting that will interest them.

"Interesting" means more than just the business portion of the meeting. It means:

- A Talkwister with a sense of humor and a lively imagination.
- Good food with a menu that varies from meeting to meeting
- An after-dinner or after-lunch program that is fun or entertaining. (Program can be both fun and supportive of your Club goals!)
- An agenda that moves from item to item in a minimal amount of time
- Reports by Lions that are brief, to the point, and meaningful for all members
- An atmosphere of fellowship that is maintained by the President and other officers who make sure new, as well as old, members are engaged in it.
- A bulletin board or wall which displays recent publicity and other important documentation of the Club.
- An occasional Lion guest speaker who can inspire members.
- A meeting room that is well lighted, kept at the right temperature, and has a comfortable seating arrangement.
- A Presidential message now, and then, that indeed indicates that this Club is going somewhere.

Finally, it always helps the mood and the digestion to sing a couple of good songs!

**BLANKET BOND POLICY**

This policy covers all Secretary and/or Treasurers of all Lions, Lioness and Leo Clubs. It also covers all Cabinet Secretary-Treasurers. Policy is for \$25,000 per officer. It automatically will include any new clubs formed during the term of the policy, as it is a blanket policy covering all officially, registered clubs.

As I cannot bill Lioness or Leo Clubs, the entire cost of the policy will be paid by the Lions Clubs.

A special assessment will be added to the first half dues statement.

In 1986 the cost was \$6.50 per club for a three year term.

Amount of persons covered:

579 Lions Clubs x 2 officers	=	1158
10 Cabinet Secretary-Treasurers	=	10
171 Lioness Clubs x 2 officers	=	342
14 Leo Clubs x 2 officers	=	28
Total person	=	1538

\$1.76 per person per year

\$4.69 per Lions Club per year

Note: Phil Meyer of State Farm Insurance was not able to give me a written guarantee of the price of \$2713.00 to remain the same for more than one year, however State Farm's Bond Underwriter assured him that bond premiums remain for long periods of time.

If Council approves the continuance of the blanket bond, you could consider collecting \$9.50 or 10.00 per club, which would eliminate going to the Clubs on an annual basis, and having the funds to pay the premium for two years.

MAY

\*\*\*\*\*

Dear Lions, Lioness, and Leos,

Our year in office is quickly coming to an end. Many plans that were laid to do this year are nearly complete, while others have been put on the back burner for awhile, or have been tossed out for some reason or other. You still have a little time yet to get everything done, but you will have to put some speed on to accomplish your goals.

Speaking of getting a move on, look at what is staring us in the face now, State and International Conventions. These events are the culmination of our current Lionistic Year. Much sharing of ideas and successes occur at these conventions, which makes them so good. I like to think of them, as if every one had "cabin Fever" and were suddenly released and found themselves amidst a whole bunch of people.

A few words of caution in regards to voting at conventions must be observed. If your club does not meet the following requirements, your delegates will not be allowed to vote. All current per capita dues must be paid in full. Old balances of more than fifty dollars (\$50.00) 90 days past due must be paid. Entrance fees of new members affecting voting strength of more than one delegate must be paid. Instruction of delegates as to how to certify their vote should also be explained. We had some problems with this at the District Convention!

The opening session of this years State Convention will be the Opening Banquet at the "Great Hall of Mecca" May 18, 1989, 7:00pm sharp. Our "Keynote Speaker" will be our International President, Austin P. Jennings of Woodbury, Tennessee. As your District Governor, I most respectfully ask that all District Cabinet members and spouses attend the opening banquet, along with as many members from our District as is possible.

ENJOY THIS CONVENTION AND LEARN FROM IT TO MAKE YOURSELVES BETTER LIONS, LIONESS, AND LEOS.

## SECRETARIES SECRETARIES SECRETARIES SECRETARIES SECRETARIES SECRETARIES SECRETARIES SECRETARIES

Most clubs have gotten their PU-101 Forms in but a few who haven't are very late. Governor Elect Tom needs these to put together the District Directory for 1989-90. International needs them in order to set up its mailing list for this next year so that your club can be accurately informed of events and programs for this next Lionistic Year. I am also speaking to the Lioness secretaries as well, your LL70s are needed ASAP. Lion Tom's deadline to the State Office is May 25. Give him a break, that is only 15 days away! If you haven't sent these forms in yet, there are four Lions Clubs yet to do so, and eight Lioness Clubs outstanding. I do not like to print names of clubs in this manner, but will if forced to do so. On another point, the end of the year is near, and would like all of the M&A Reports in on time for June and May to help me close out my year and have Governor Tom make a smooth transition into his year. Please make the effort as it will be greatly appreciated!

## PRESIDENTS PRESIDENTS PRESIDENTS PRESIDENTS PRESIDENTS PRESIDENTS PRESIDENTS PRESIDENTS

Further into this newsletter you will find a page for the Secretaries 100% Award, please see to it immediately and award him/her for a years hard work. We need to award those among us who work diligently, and that goes for other members of your club who give at 110% all the time. See to it that your 100% Award is taken care of promptly as the deadline for this is July 20, 1989. There is a lot of time, but if you put it off, you are going to be late!

Newly elected officers need to be made aware of the different Cabinet Chairman, and the uses that they may be for their clubs this next year. If you use them, your club will not only be better informed, but will grow and become better Lions for it. This past year few Cabinet chm. were called to clubs and I would like to see this increased. Inform your Speakers Committee of their availability and purposes. Share with them your Directories so that they may contact them and use them to help your club grow.

"Fight For Sight" fundraiser shows that 27-B1 has contributed over \$25,000 to this most worthy cause, but we have a long way to go towards reaching our goal of \$500,000.00, and time is growing short towards its end. If your club has not pledged itself to this fundraiser, please consider doing so before the State Convention when all must end. To those clubs who have been so generous in their giving, THANK YOU ALL!

W.L.F. Raffle tickets have been selling well, and if you haven't been able to purchase any tickets see either PDG Herb or Milt, or, I am sure that they will be available at the State Convention. Proceeds from the raffle will be going to the Endowment Fund to help bolster and insure that our state-wide programs will continue at the super level we now enjoy. Some of you may have heard me talk about my ambitions after my year as your Governor is over, and it is to the WLF Endowment Fund that I would like to carry on my efforts in Lionism. I firmly believe that by increasing the value of this fund, your efforts on the State level of doing more for those less fortunate than ourselves will be raised. WE SERVE!

Lions Clubs International Foundation has shown an increase in the number of Melvin Jones Fellows being given this year throughout our district. I congratulate those clubs and zones who have seen fit to honor their members with a Fellow. Time is still available to get your nominations into PDG Tom Koch for selection of a MJF from our District. Lion Tom also has informed me that we are close to another Fellow, (about \$300.00 away). So if your club has any extra funds left consider an additional donation to L.C.I.F.

Leader Dog is also in need of your support. PDG Glenn Murty informs me. His letter appears later in this newsletter, please read it!

Omro Band trip to the International Convention at Miami is definitely on, but they are also some dollars short of their goal as of this writing. If your club has not donated, and may be considering doing so, please do.

NEWSLETTER 27-B1

JUNE

DISTRICT GOVERNOR PAUL TADYCH  
Route 1  
Gedar Grove WI 53013

1989

**We Serve**

Dear Lions, Lioness, and Leos,

I've put off doing this long enough. It is difficult to put into words what you've experienced in the last twelve months. The zest and drive that was so much alive only a few short months ago has grown old and reserved, not to say that it is gone, only excitable about new things that happen.

I would like to take this opportunity to thank all of you for a most learning and wonderful year. The Lions and Lioness that I have met are truly amazing people. They welcomed my wife and me with open arms and shared an evening with to strangers who they knew only by title. You Lions and Lioness do not realize what you all do for people with this type of behavior. And I know that it isn't only Marilyn or myself that you welcomed like this, many you did not even know. I'm talking about the people that you served this past year by being a part of the world's largest service organization, "WE SERVE".

There is one who I don't know exactly how to thank, and that is my wife Marilyn. She has kept me up to date with my calendar, answered phone calls when I wasn't home, accompanied me to meetings and parties; all for me? Thank you Marilyn for making this year possible for me.

To my Cabinet who kept me on the straight and narrow. I have to apologize for the length of the meetings, but it was necessary that we discussed all points until everyone was satisfied. Some of you were new and came through to do the job with little problems, or if you did, I was not aware of them. To I.P.D.G. Dwaine and all his help getting me started, and all the help you were to me at the District Convention.

To the Sheboygan Noon Club and the great District Convention 27-B1 had this year. It was a lot of work Lions, but it sure was well worth it! I know that certain things that were done during this convention are going to be expanded upon in the future to continue the tradition that our District is the leader in good learning conventions.

And to our New District Governor, Lion Tom Thorson, thank you for your energies this past year, I hope that your year will be as rewarding to you as it has been to me.

Thank you one and all for the great year that you have given to me. "WE SERVE".

Governor Paul  
*Paul Tadych*

SECRETARIES

A reminder that your June M&A Reports must be sent to me and that if you can, get them in promptly so that there can be as smooth a transition into the next Lionistic year as possible. I would also urge you to get your club president's 100% nomination in as quickly as possible. This will help me and you to complete our year easily with no mistakes.

PRESIDENTS

Let me compliment you on your year of service. I am very proud to say that when I asked for help, be it money or volunteerism for a job, you responded willingly and with enthusiasm. Remember also your secretary and the 100% nomination for their work. ASAP.

REGIONAL CHAIRMAN REGIONAL CHAIRMAN REGIONAL CHAIRMAN REGIONAL CHAIRMAN REGIONAL CHAIRMAN

This is a new term used to replace the old term of office known as Deputy District Governor. Get used to it and use it. This was a change coming out of last years International Convention at Denver, Colorado. WE need to get used to change and this is one of the first that all members need to relearn.

ALL CABINET MEMBERS

Lion Harry Boldt and I need to receive your requests for reimbursements SOOOOON, as we will be having the District's Books audited and turned over to Governor Tom in the next few weeks. No requests will be honored after July 1, 1989!

FIGHT FOR SIGHT

I do not have a total amount since Thursday of Convention week, but at that time, donations totaled \$215,000.00. I know for a fact that many more dollars came in during the Parade of Checks and donations are still being pledged. I want to thank all clubs who so generously responded. With particular thanks to Region 4 Zone 2 for their leadership with pledges and money totaling over \$17,000.00. That's ZC Robert Showers Zone. Way to go Lion Bob!

TO ALL LIONS IN DISTRICT 27-B1

Let us welcome District Governor Tom Thorson this year as you did for me this past year. I know that Governor Tom will do a SUPER job for us this next year. We can all help him out, by getting our invitations into him e a r l y. In this way he can better set up his year to serve us. Another suggestion to help Governor Tom would be to get your donations in as soon as possible, with particular emphasis on your WLF donations.

DISTRICT 27-B1

Again thank you for a most memorable year, a year I would not trade for any that I have ever lived. If I can serve any of you in Lionism, or as a friend, don't hesitate - ASK!

TO LION HARRY BOLDT CABINET SECRETARY?TREASURER

Lion Harry acquesses me of forgetting about him at meetings and so forth, but he is the kind of Lion who sits back and does his Service, and is hard to recall that he is even there. It's been a little rough for Harry this year, but I feel that you grew with me this year to the greater understanding of what our District and Lionism is all about. Thank you Harry for all that you have done for me and the District.

Official minutes of District 27-B1 Lions Clubs International held on Friday, May 19, 1989 at 10:35 a.m. at the Pfister Hotel in the Empire Room, Milwaukee, Wisconsin. The meeting was called to order by District Governor Paul A. Tadych who acted as chairman.

Chaplain Earl Buchholz said the opening prayer. IPDG Dwayne A. Habrat led the "Pledge to the Flag." Song Leader Earl Buchholz led the singing of "I Got That Lions Feeling."

DG Tadych introduced PDG Gene Norberg and PID Edward S. Eick.

DG Tadych called for the roll call and introduction of clubs.

Campaign addresses were given for convention sites for 1991 by Madison and LaCrosse, bowling by Monona Grove, Cottage Grove and McFarland. John Coleman announced DDG Victor V. Voigt as a candidate for Governor for District 27-B1 for the year 1991-92 and also gave a convention update for the District 27-B1 to be held at Manitowoc.

IPDG Habrat reported on the 11 resolutions to be voted on. He only indicated whether they were approved or disapproved by the Council of Governors and the State Resolutions Committee.

State Elections Chairman Reiss explained where the voting was to take place on Saturday.

PDG Wood reporting on the 1992 State Convention sites said all were acceptable and made no recommendation.

State Bowling chairman Pat Harder reported all 4 sites were good for bowling and did not make a recommendation. He reminded members that region 3 has the bowling for 1992 with this year at Sheboygan Falls.

PDG Kitchen announced that members could read the resolutions for International in Lions Magazine and make up their own minds.

DG Tadych reported on the State of the District and expressed the need for more members.

International comment by PID Edward Eick was on International Austin Jennings speech.

An announcement of a Horseshoe Tournament sponsored by the Berlin Lions Club on June 10, 1989.

DG Tadych announced that the membership pins have not arrived as yet.

DDG Thorson(District Governor Elect) said that the new cabinet meetings are in the District 27-B1 last newsletter.

DG Tadych indicated that members should see newsletter for further information about insurance.

WLF Schneider reported that members would hear the complete report tomorrow at the general meeting.

A motion by Pat Harder and a second by Eugene Adams that the District pay the \$120.00 for slide program for WLF from the money from the pin raffle conducted at this meeting. The motion carried.

DG Tadych adjourned the meeting at 11:45 a.m. for the noon luncheon.

Respectfully submitted

PROPOSAL

WHAT: LIONS HORSESHOE TOURNAMENT AND CLINIC

WHERE: Berlin. 12 courts at Riverside Park.

WHEN: June 24, Saturday

PARTICIPANTS: State Lions

PARTICIPANT FEES: None

PARTICIPANT ADVANCE REGISTRATION: None

BERLIN LIONS COMMITMENT:

1. Get information into state publication one or more times.
2. Get printed information to districts for distribution to clubs.
3. Provide a half-dozen trophies.
4. Have 3 members for Lions liaison and to provide a general assist.

PURPOSES OF EVENT:

1. Tournament. Everyone will participate 2 hours or more in a 2-stage roundrobin tournament that establishes ringer percentage (the status symbol of horseshoe pitching), as well as the customary wins and losses.
2. Clinic. Problem: Not many pitchers know how to conduct a tournament, and when they do, it is single or double elimination with score kept mentally.

Solution: A clinic to familiarize pitchers with the more interesting and flexible roundrobin tournaments, player's ringer per cent and ways of recording ringers, points and shoes pitched.

Every pitcher will get verbal and "hands on" instruction before the tournament; they will get experience playing the tournament; they will get a packet of tournament forms and instructions to take home with them.

Horseshoes is rapidly increasing in popularity. Kinda nice to know the President of the United States likes horseshoe pitching.

Dear Lions, Lioness, Leos, and Guests:

It is indeed an honor and privilege to welcome you to our 13th Annual District 27-B1 Convention.

The Sheboygan Noon Lions have worked hard to make this year's convention a truly enjoyable learning experience. We sincerely thank them for their efforts, and ask that you take time to visit and support the Sheboygan area during your visit.

A warm and hearty welcome is extended to Past International Director Lion Kay K. Fukushima and his lovely wife Denise from Sacramento, California. Past International Director Kay brings with him a wealth of information of Lions Clubs International and also the workings of Lions on the District and local levels. We are looking forward to his input into our Convention this year and to his address at the Saturday Banquet.

This years seminars have been designed to be thought provoking and a stimulus to meeting the challenges of the rest of our Lionistic Year. It is my hope that all convention goers will enjoy and learn and gather information to take back to their home clubs; a strengthening of ideas to help them do more in our quest. **"WE SERVE."**

Dear Fellow Lions:

On behalf of the Sheboygan Noon Lions, welcome to our city. Our club is celebrating its 20th anniversary in 1988, and it is our pleasure to observe this milestone by hosting this district convention. We hope your stay is enjoyable and we know you will come away from the convention even more committed to the ideals of Lionism

Yours in Lionism,

Dear Lions, Lionesses, Leos and Guests,

Welcome to our 13th annual 27-B1 Convention being held in the friendly city of Sheboygan!

As you experience this year's convention, the hard work and diligent efforts of our hosts, the Sheboygan Noon Lions, will become evident. Their hard work deserves a hearty "Thank you" from all of us.

During the weekend please take a moment to introduce yourself to our special guests, Past International Director Kay K. Fukushima and his wife Denise, from Sacramento, California. They are anxious to meet all of you. Past Director Kay will share some "International Lionism" with us as he addresses our Saturday evening banquet.

District Governor Paul Tadych and our seminar presentors have worked hard to present informative and interesting seminars on Saturday afternoon. It is their hope that your interests in our Lionistic projects and activities will be renewed and strengthened and that you return to your communities ready to serve.

Enjoy the Convention!

Dwaine A. Habrat  
Immediate Past District Governor  
Convention Liaison

Our sincere thanks to those listed above "who served" with honor and distinction as District Governor in 27-B1 and to the Lions that did likewise when 27 was only one district, another Chapter in Wisconsin Lionism.

To All Visiting Lions:

We are very pleased to host you in Sheboygan for the District 27-B1 fall convention on November 4-6, 1988. We have waited several years for this opportunity.

During your visit, we hope you'll discover for yourself some of the things Sheboygan is known for—the riverfront boardwalk with its shops and restaurants, the nationally-acclaimed John Michael Kohler Arts Center, the majestic beauty of Lake Michigan, and topping the list, bratwurst! Best wishes for an enjoyable and profitable convention.

Sincerely,

Heather J. Clyde, Director

Past International Director

Kay K. Fukushima, of Sacramento, California, U.S.A., was elected to serve a two-year term as a director of The International Association of Lions Clubs at the Association's 69th Annual Convention, held in New Orleans, Louisiana, U.S.A., July 9 - 12, 1986.

Past Director Fukushima is in the insurance industry.

A Lion for over 23 years, Past Director Fukushima has served the Association as a Club President, Zone Chairman, District Governor and as President of the Northern California Lions Sight Association.

In recognition of his service, he has received the 100% Club President's Award, the 100% District Governor's Award, an Extension Award, a Master Key and five International President's Awards and the Ambassador of Goodwill Award, the highest honor granted to a member by the Association. Past Director Fukushima is also a Helen Keller Fellow (Multiple District 4 Award) and a Melvin Jones Fellow.

In addition to his Lion activities, Past Director Fukushima is involved in the Boy Scouts program, Easter Seals and a number of community youth recreation programs. He is also active in various professional associations.

Past Director Fukushima and his wife, Denise, have a son and a daughter.

Dear Lions, Lioness, Leos, and Guests:

On behalf of the citizens of the City of Sheboygan, I bid a warm welcome to District Lions Governor Paul Tadych and to each of you attending this 13th Annual District 27-B1 Convention. Our local Lions Clubs, Sheboygan Area Convention & Visitors Bureau, as well as all of us in city government stand ready to assist you to ensure the success of your conference.

Sheboygan is recognized as a dynamic and vibrant city which boasts of a diversified and growing industrial community. Our location on the Lake Michigan shoreline offers us plentiful year-round recreational outlets and has enabled us to embark upon a multi-million dollar commercial development of our harborland properties. You will find novel stores and shops, award-winning restaurants, and exciting cultural outlets throughout Sheboygan. I encourage you to experience the liveability of our city by visiting and patronizing these fine facilities.

I thank each of you for visiting our community and hope that you will consider a return visit in the near future. Enjoy your convention and as you return to your respective communities, it is my hope that you will continue to serve your community and fellow man in true Lion spirit.

Sincerely,

Richard J. Schneider

**KAY K. FUKUSHIMA**  
Past International Director

Kay K. Fukushima, of Sacramento, California, U.S.A., was elected to serve a two-year term as a director of The International Association of Lions Clubs at the Association's 69th Annual Convention, held in New Orleans, Louisiana, U.S.A., July 9 - 12, 1986.

Past Director Fukushima is in the insurance industry.

A Lion for over 23 years, Past Director Fukushima has served the Association as a Club President, Zone Chairman, District Governor and as President of the Northern California Lions Sight Association.

In recognition of his service, he has received the 100% Club President's Award, the 100% District Governor's Award, an Extension Award, a Master Key and five International President's Awards and the Ambassador of Goodwill Award, the highest honor granted to a member by the Association. Past Director Fukushima is also a Helen Keller Fellow (Multiple District 4 Award) and a Melvin Jones Fellow.

In addition to his Lion activities, Past Director Fukushima is involved in the Boy Scouts program, Easter Seals and a number of community youth recreation programs. He is also active in various professional associations.

Past Director Fukushima and his wife, Denise, have a son and a daughter.
