

LIONS of DISTRICT 27 B-1

HELLOOOO.....OCTOBER and FELLOW LIONS ;

The months are flying by quickly. I have IMPORTANT info for you. **NOT THE GREATEST NEWS**

We need to become more ACTIVE we are lax in all areas. I **BELIEVE** we are better than this.

Membership continues to drop, we are **down** 7 as of September 30, I keep hearing about "WE ADDED A NEW MEMBER" what about RETAINING your current ones ?? We gained 20 new and lost 27. The math is not what I want to see.

ONLY 35 of 63 clubs (54%) have reported any kind of activity ?????? Aren't you even having a MEETING ? That counts as an activity, It's so simple, with my schedule, I even find time to report my clubs activities. I've seen activities on your facebook page.....at least that's a Plus for the MARKETING effort. I truly **do NOT believe** that Lions Portal is the problem. We have been constantly offering HELP. PDG Dave Brinkman constantly post HELPFUL HINTS.

Don't you want to party with your fellow LIONS ?? The District Convention is only 36 days away. NO SUPPORT AGAIN ?? **A WHOPPING 29 registrations** which includes our guest ID, myself and my fellow DGs so.....maybe 15 Lions from our district !! Only 8 clubs have sent back the District Raffle Tickets to Lion John Stephen.....NO SUPPORT for WHAT we DO to help you?

LCIF is NOT a BAD thing.....if you want to continue to see COMMUNITY GRANTS (our district receives 15% back annually based on your donations), Matching Grants and even just brochures, forms and training material. They need your donations both club and personal to continue to have funds available.

The only **BRIGHT** spot is some clubs are posting on the district facebook page.

Facebook.com//md27b1 It's excitingI even posted my 1st selfie, and 2 live videos and multiple posts of where I am at and what I am doing and everyone else is doing.. Step out of your comfort zone I'M NOT GIVING UP on all of you because B1 is **FANTASTIC**.

I always wonder if any of this information even gets to the everyday LION ??? I would love to hear some response. Only 15 clubs have even asked for me to visit them ! **THANK YOU**

DO YOU NEED HELP ? I have plenty of sources and people willing to help you be successful.

Dave
