

August 9, 2024

Previously I had reported that we had lost our representative on the Lions Eye Bank of Wisconsin (LEBW) board. An open invite was sent on July 28th to all Lions of District 27 B1. A decision must be made prior to the scheduled Board orientation on August 19th.

Per instruction from LEBW, a District Governor is to appoint a Lion to finish the remaining term to June 30, 2025. At this November District convention, we will elect a Lion for a 3 year term July 1st, 2025- Jun 30th, 2028. **No prior officer position is required.....**JUST a desire to promote Lions Eyebank and be involved.

I did receive 5-7 interested Lions. Thank you all for your interest and continued support of LEBW. You were all more than qualified.

The decision has been made. Lion Bill Fletcher President of the Westfield Lions has accepted my offer to fill the remaining 1 year. Lion Bill is currently the Zone Chair for his region and an Eye Tissue Transporter. One of his club members is also the area coordinator. He has committed to attending their board meetings and keep District 27B1 informed of what is going on with LEBW.

Please extend a THANK YOU and Congrats to Lion Bill for stepping up and wish him luck.

FANTASTIC.....

DG Dave Holschbach
